GENERAL PLAN INFORMATION	79

INTRODUCTION

This document is a description of HMS Enterprises, Inc. Employee Group Health Benefit Plan (the Plan). No oral interpretations can change this Plan. The Plan described is designed to protect Plan Participants against certain catastrophic health expenses.

This Group Health Plan believes this Plan is a Grandfathered Health Plan under the Affordable Care Act. As permitted by the Affordable Care Act, a Grandfathered Health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a Grandfathered Health Plan means that your Plan may not include certain consumer protections of the Affordable Care Act that apply to other Plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, Grandfathered Health Plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Coverage under the Plan will take effect for an eligible Employee and designated Dependents when the Employee and such Dependents satisfy all the eligibility requirements of the Plan.

The Employer fully intends to maintain this Plan indefinitely. However, it reserves the right to terminate, suspend, discontinue or amend the Plan at any time and for any reason.

Changes in the Plan may occur in any or all parts of the Plan including benefit coverage, deductibles, maximums, copayments, exclusions, limitations, definitions, eligibility and the like.

Failure to follow the eligibility or enrollment requirements of this Plan may result in delay of coverage or no coverage at all. Reimbursement from the Plan can be reduced or denied because of certain provisions in the Plan, such as coordination of benefits, subrogation, exclusions, timeliness of COBRA elections, utilization review or other cost management requirements, lack of Medical Necessity, lack of timely filing of claims or lack of coverage. These provisions are explained in summary fashion in this document.

The Plan will pay benefits only for the expenses incurred while this coverage is in force. No benefits are payable for expenses incurred before coverage began or after coverage terminated. An expense for a service or supply is incurred on the date the service or supply is furnished.

No action at law or in equity shall be brought to recover under any section of this Plan until the appeal rights provided have been exercised and the Plan benefits requested in such appeals have been denied in whole or in part.

If the Plan is terminated, amended, or benefits are eliminated, the rights of Covered Persons are limited to Covered Charges incurred before termination, amendment or elimination.

This document summarizes the Plan rights and benefits for covered Employees and their Dependents and is divided into the following parts:

Schedule of Benefits. Provides an outline of the Plan reimbursement formulas as well as payment limits on certain services.

Eligibility, Funding, Effective Date and Termination. Explains eligibility for coverage under the Plan, funding of the Plan and when the coverage takes effect and terminates.

Benefit Descriptions. Explains when the benefit applies and the types of charges covered.

Cost Management Services. Explains the methods used to curb unnecessary and excessive charges.

This part should be read carefully since each Participant is required to take action to assure that the maximum payment levels under the Plan are paid.

Defined Terms. Defines those Plan terms that have a specific meaning.

Plan Exclusions. Shows what charges are **not** covered.

Claim Provisions. Explains the rules for filing claims and the claim appeal process.

Coordination of Benefits. Shows the Plan payment order when a person is covered under more than one plan.

Third Party Recovery Provision. Explains the Plan's rights to recover payment of charges when a Covered Person has a claim against another person because of injuries sustained.

Continuation Coverage Rights Under COBRA. Explains when a person's coverage under the Plan ceases and the continuation options which are available.

ERISA Information. Explains the Plan's structure and the Participants' rights under the Plan.

SCHEDULE OF BENEFITS

Verification of Eligibility (800) 423-1841

Call this number to verify eligibility for Plan benefits **before** the charge is incurred.

MEDICAL BENEFITS

All benefits described in this Schedule are subject to the exclusions and limitations described more fully herein including, but not limited to, the Plan Administrator's determination that: care and treatment is Medically Necessary; that charges are Usual and Reasonable; that services, supplies and care are not Experimental and/or Investigational. The meanings of these capitalized terms are in the Defined Terms section of this document.

Only a general description of health benefits covered by this Plan is included in this document. A more detailed schedule of coverage is available to any Plan Participant, at no cost, who requests one from the Plan Administrator.

Note: The following services must be pre-certified or reimbursement from the Plan may be reduced.

Hospitalizations

The attending Physician does not have to obtain precertification from the Plan for prescribing a maternity length of stay that is 48 hours or less for a vaginal delivery or 96 hours or less for a cesarean delivery.

Please see the Cost Management section in this booklet for details.

The Plan is a plan which contains a Network Provider Organization.

PPO name: First Health Network

Telephone: (800) 226-5116

Website: www.firsthealth.coventryhealth.com

This Plan has entered into an agreement with certain Hospitals, Physicians and other health care providers, which are called Network Providers. Because these Network Providers have agreed to charge reduced fees to persons covered under the Plan, the Plan can afford to reimburse a higher percentage of their fees.

If the Plan generally requires or allows the designation of a primary care provider, a Covered Person has the right to designate any primary care provider who is a Network Provider and who is available to accept the Covered Person. For children, a Covered Person may designate a pediatrician as the primary care provider if the pediatrician is a Network Provider and is available to accept the child as a patient. A Covered Person does not need prior authorization from the Plan, a primary care provider, or any other person in order to obtain access to obstetrical or gynecological care from a health care professional who specializes in obstetrics or gynecology and who is a Network Provider. However, the health care professional may be required to comply with certain Plan procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals.

Therefore, when a Covered Person uses a Network Provider, that Covered Person will receive better benefits from the Plan than when a Non-Network Provider is used. It is the Covered Person's choice as to which Provider to use.

If a Covered Person is located in an area where Network providers are not available, the Non-Network benefits will apply.

If a Covered Person requires treatment for an accident or medical emergency, as defined, benefits for the initial treatment by a Non-Network provider will be paid as shown in the Schedule of Benefits.

Additionally, if a Covered Person is admitted to a Non-Network hospital as a result of a medical emergency, benefits for stabilization and initiation of treatment will be paid at the Network benefit level until it is medically appropriate for the Covered Person to be transferred to a Network hospital. The determination of when the transfer is medically appropriate will be made by the Covered Person's physician and the Utilization Review Services. If the Covered Person chooses to remain in a Non-Network hospital after it has been determined that he could have been transferred to a Network hospital, covered expenses will be paid at the Non-Network benefit level.

If charges are incurred for services performed by a Non-Network provider which the patient did not have the option to choose, which relate to a Network confinement, a network out-patient procedure, or a network physician/office visit (i.e., Assistant Surgeon, Anesthesia, Independent Lab, Pathology & X-ray, etc.) benefits will be paid at the Network level as indicated on the Schedule of Benefits.

Additional information about this option, including any rules that apply to designation of a primary care provider, as well as a list of Network Providers, will be given to Plan Participants, at no cost, and updated as needed. This list will include providers who specialize in obstetrics or gynecology.

Deductibles/Copayments payable by Plan Participants

Deductibles/Copayments are dollar amounts that the Covered Person must pay before the Plan pays.

A deductible is an amount of money that is paid once a Calendar Year per Covered Person. Typically, there is one deductible amount per Plan and it must be paid before any money is paid by the Plan for any Covered Charges. Each January 1st, a new deductible amount is required. Deductibles do not accrue toward the 100% maximum out-of-pocket payment. A copayment is the amount of money that is paid each time a particular service is used. Typically, there may be copayments on some services and other services will not have any copayments. Copayments do not accrue toward the 100% maximum out-of-pocket payment.

MEDICAL BENEFITS SCHEDULE

	NETWORK	NON-NETWORK PROVIDERS
ANNUAL LIMIT	Unlimited	
DEDUCTIBLE, PER CALENDAR YEAR		
Employee only	\$1,000	\$2,000
Employee plus one	\$2,000	\$4,000
Employee plus family	\$3,000	\$6,000
<i>Three (3) family members must satisfy Individual Deductibles. Partial Deductibles do not count toward the Family Maximum.</i>		
<i>Network and Non-network expenses will be applied separately toward the satisfaction of the Network and Non-Network Deductible amounts.</i>		
COPAYS		
CAT Scan/MRI/etc.	\$150 per visit	
Urgent Care	\$75 per visit

• Depo provera	• Fertility Drugs

OTHER:

The following services do not accumulate toward the Out of Pocket or Deductible amounts: Per visit copays, prescription drug copays, charges in excess of benefit maximums, charges in excess of reasonable and customary fees and non-compliance penalties.

ELIGIBILITY, FUNDING, EFFECTIVE DATE AND TERMINATION PROVISIONS

You must enroll for coverage under this Plan by obtaining an enrollment form from the Human Resources Department. Complete the form in full, sign and return it promptly to the Human Resources Department.

ELIGIBILITY

Eligible Classes of Employees. Active Employees of the Employer, as defined below.

Eligibility Requirements for Employee Coverage. A person is eligible for Employee coverage from the first day that he or she:

- (1) is a Full-Time, Active Employee of the Employer. An Employee is considered to be Full-Time if he or she normally works at least 38 hours per week and is on the regular payroll of the Employer for that work.

When Employees Become Eligible. A **Waiting Period** is the time between the first day of employment and the first day of coverage under the Plan.

The **Enrollment Date** is the first day of coverage or, if there is a waiting period, the first day of the waiting period.

You are eligible for coverage on the first day of the month following 60 calendar days.

If you return from a Leave of Absence which qualifies under the Family and Medical Leave Act (FLMA) and you chose not to retain health coverage under this Plan during such leave, your coverage will be reinstated upon return from such leave, without any waiting period if you previously satisfied any applicable waiting period.

Employee Effective Date of Coverage. Your coverage begins on the date on which you become eligible for Plan benefits provided you have completed an enrollment card and make any required contribution.

If you apply for coverage on or before your eligibility date or within thirty-one (31) days after your original enrollment date, your coverage will begin the first day of the month after the date of hire.

If you terminate your employment, for any reason, during your eligibility waiting period and are subsequently re-employed, you must complete the same eligibility waiting period as applied to a new Employee. This requirement applies to both you and your eligible Dependents.

Employees who are not eligible. Temporary employees and part-time employees (those who are regularly scheduled to work less than 38 hours per week).

Eligible Classes of Dependents. A Dependent is any one of the following persons:

- (1) A covered Employee's Spouse.

The term "Spouse" shall mean the person who is legally married to the Employee while the Employee is covered under this Plan.

(2) A covered Employee's Child(ren).

An Employee's "Child" includes his natural child, stepchild, eligible foster child, adopted child, or a child placed with the Employee for adoption. An Employee's Child will be an eligible Dependent until reaching the limiting age of 26, without regard to student status, marital status, financial dependency or residency status with the Employee or any other person. When the child reaches the applicable limiting age, coverage will end on the child's birthday.

The phrase "placed for adoption" refers to a child whom a person intends to adopt, whether or not the adoption has become final, who has not attained the age of 18 as of the date of such placement for adoption. The term "placed" means the assumption and retention by such person of a legal obligation for total or partial support of the child in anticipation of adoption of the child. The child must be available for adoption and the legal process must have commenced.

The term "Qualified Dependents" shall include children for whom the Employee is a Legal Guardian.

To be eligible for Dependent coverage under the Plan, a Qualified Dependent must be under the limiting age of 26 years and primarily dependent upon the covered Employee for support and maintenance. Coverage will end on the date in which the Qualified Dependent ceases to meet the applicable eligibility requirements.

Any child of a Plan Participant who is an alternate recipient under a qualified medical child support order shall be considered as having a right to Dependent coverage under this Plan.

A participant of this Plan may obtain, without charge, a copy of the procedures governing qualified medical child support order (QMCSO) determinations from the Plan Administrator.

The Plan Administrator may require documentation proving eligibility for Dependent coverage, including birth certificates, tax records or initiation of legal proceedings severing parental rights.

(4) A covered Dependent Child who reaches the limiting age and is Totally Disabled, incapable of self-sustaining employment by reason of mental or physical handicap, primarily dependent upon the covered Employee for support and maintenance and unmarried. The Plan Administrator may require, at reasonable intervals, continuing proof of the Total Disability and dependency.

The Plan Administrator reserves the right to have such Dependent examined by a Physician of the Plan Administrator's choice, at the Plan's expense, to determine the existence of such incapacity.

These persons are excluded as Dependents: other individuals living in the covered Employee's home, but who are not eligible as defined; the legally separated or divorced former Spouse of the Employee; any person who is on active duty in any military service of any country; or any person who is covered under the Plan as an Employee.

If a person covered under this Plan changes status from Employee to Dependent or Dependent to Employee, and the person is covered continuously under this Plan before, during and after the change in status, credit will be given for deductibles and all amounts applied to maximums.

If both mother and father are Employees, their children will be covered as Dependents of the mother or father, but not of both.

Eligibility Requirements for Dependent Coverage. A family member of an Employee will become eligible for Dependent coverage on the first day that the Employee is eligible for Employee coverage and the family member satisfies the requirements for Dependent coverage.

At any time, the Plan may require proof that a Spouse or a Child qualifies or continues to qualify as a Dependent as defined by this Plan.

FUNDING

Cost of the Plan. HMS Enterprises, Inc. shares the cost of Employee and Dependent coverage under this Plan with the covered Employees. The enrollment application for coverage will include a payroll deduction authorization. This authorization must be completed in a manner set forth by the Plan Administrator.

The level of any Employee contributions is set by the Plan Administrator. The Plan Administrator reserves the right to change the level of Employee contributions.

ENROLLMENT

Enrollment Requirements. You are eligible for coverage on your date of hire. An Employee must enroll for coverage by filling out and signing an enrollment application along with the appropriate payroll deduction authorization. The covered Employee is required to enroll for Dependent coverage also.

Enrollment Requirements for Newborn Children.

A newborn child will automatically be covered at birth for thirty-one (31) days. For coverage to continue beyond thirty-one (31) days, you must notify the Employer of the birth and authorize any required contributions. If notification and required contributions are not made, coverage for the newborn child will terminate at the end of the thirty-one (31) day period. Submission of a medical claim is not considered notification for continuation of coverage.

TIMELY OR LATE ENROLLMENT

- (1) Timely Enrollment** - The enrollment will be "timely" if the completed form is received by the Plan Administrator no later than 31 days after the person becomes eligible for the coverage, either initially or under a Special Enrollment Period.

If two Employees (husband and wife) are covered under the Plan and the Employee who is covering the Dependent children terminates coverage, the Dependent coverage may be continued by the other covered Employee as long as coverage has been continuous.

- (2) **Late Enrollment** - An enrollment is "late" if it is not made on a "timely basis" or during a Special Enrollment Period. Late Enrollees and their Dependents who are not eligible to join the Plan during a Special Enrollment Period may join only during open enrollment.

If an individual loses eligibility for coverage as a result of terminating employment or a general suspension of coverage under the Plan, then upon becoming eligible again due to resumption of employment or due to resumption of Plan coverage, only the most recent period of eligibility will be considered for purposes of determining whether the individual is a Late Enrollee.

The time between the date a Late Enrollee first becomes eligible for enrollment under the Plan and the first day of coverage is not treated as a Waiting Period. Coverage begins on January 1st.

SPECIAL ENROLLMENT RIGHTS

Federal law provides Special Enrollment provisions under some circumstances. If an Employee is declining enrollment for himself or herself or his or her dependents (including his or her spouse) because of other health insurance or group health plan coverage, there may be a right to enroll in this Plan if there is a loss of eligibility for that other coverage (or if the employer stops contributing towards the other coverage). However, a request for enrollment must be made within 31 days after the coverage ends (or after the employer stops contributing towards the other coverage).

In addition, in the case of a birth, marriage, adoption or placement for adoption, there may be a right to enroll in this Plan. However, a request for enrollment must be made within 31 days of the birth, marriage, adoption or placement for adoption.

The Special Enrollment rules are described in more detail below.

SPECIAL ENROLLMENT PERIODS

The Enrollment Date for anyone who enrolls under a Special Enrollment Period is the first date of coverage. Thus, the time between the date a special enrollee first becomes eligible for enrollment under the Plan and the first day of coverage is not treated as a Waiting Period. This means that any Pre-Existing Condition will be determined on the basis of the look back period prior to the Enrollment Date, and the period of the Pre-Existing Conditions Limitation will start on the Enrollment Date.

- (1) **Individuals losing other coverage creating a Special Enrollment right.** An Employee or Dependent who is eligible, but not enrolled in this Plan, may enroll if loss of eligibility for coverage meets all of the following conditions:
- (a) The Employee or Dependent was covered under a group health plan or had health insurance coverage at the time coverage under this Plan was previously offered to the individual.

- (b) If required by the Plan Administrator, the Employee stated in writing at the time that coverage was offered that the other health coverage was the reason for declining enrollment.
 - (c) The coverage of the Employee or Dependent who had lost the coverage was under COBRA and the COBRA coverage was exhausted, or was not under COBRA and either the coverage was terminated as a result of loss of eligibility for the coverage or because employer contributions towards the coverage were terminated. Coverage will begin no later than the first day of the first calendar month following the date the completed enrollment form is received.
 - (d) The Employee or Dependent requests enrollment in this Plan not later than 31 days after the date of exhaustion of COBRA coverage or the termination of non-COBRA coverage due to loss of eligibility or termination of employer contributions, described above. Coverage will begin no later than the first day of the first calendar month following the date the completed enrollment form is received.
- (2) For purposes of these rules, a loss of eligibility occurs if one of the following occurs:
- (a) The Employee or Dependent has a loss of eligibility due to the plan no longer offering any benefits to a class of similarly situated individuals (i.e.: part-time employees).
 - (b) The Employee or Dependent has a loss of eligibility as a result of legal separation, divorce, cessation of dependent status (such as attaining the maximum age to be eligible as a dependent child under the plan), death, termination of employment, or reduction in the number of hours of employment or contributions towards the coverage were terminated.
 - (c) The Employee or Dependent has a loss of eligibility when coverage is offered through an HMO, or other arrangement, in the individual market that does not provide benefits to individuals who no longer reside, live or work in a service area, (whether or not within the choice of the individual).
 - (d) The Employee or Dependent has a loss of eligibility when coverage is offered through an HMO, or other arrangement, in the group market that does not provide benefits to individuals who no longer reside, live or work in a service area, (whether or not within the choice of the individual), and no other benefit package is available to the individual.

If the Employee or Dependent lost the other coverage as a result of the individual's failure to pay premiums or required contributions or for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the plan), that individual does not have a Special Enrollment right.

(3) Dependent beneficiaries. If:

- (a) The Employee is a participant under this Plan (or is eligible to be enrolled under this Plan but for a failure to enroll during a previous enrollment period), and

- (b) A person becomes a Dependent of the Employee through marriage, birth, adoption or placement for adoption,

then the Dependent (and if not otherwise enrolled, the Employee) may be enrolled under this Plan. In the case of the birth or adoption of a child, the Spouse of the covered Employee may be enrolled as a Dependent of the covered Employee if the Spouse is otherwise eligible for coverage. If the Employee is not enrolled at the time of the event, the Employee must enroll under this Special Enrollment Period in order for his eligible Dependents to enroll.

The Dependent Special Enrollment Period is a period of 31 days and begins on the date of the marriage, birth, adoption or placement for adoption. To be eligible for this Special Enrollment, the Dependent and/or Employee must request enrollment during this 31-day period.

The coverage of the Dependent and/or Employee enrolled in the Special Enrollment Period will be effective:

- (a) in the case of marriage, the first day of the first month beginning after the date of the completed request for enrollment is received;
- (b) in the case of a Dependent's birth, as of the date of birth; or
- (c) in the case of a Dependent's adoption or placement for adoption, the date of the adoption or placement for adoption.

- (4) **Medicaid and State Child Health Insurance Programs.** An Employee or Dependent who is eligible, but not enrolled in this Plan, may enroll if:

- (a) The Employee or Dependent is covered under a Medicaid plan under Title XIX of the Social Security Act or a State child health plan (CHIP) under Title XXI of such Act, and coverage of the Employee or Dependent is terminated due to loss of eligibility for such coverage, and the Employee or Dependent requests enrollment in this Plan within 60 days after such Medicaid or CHIP coverage is terminated.
- (b) The Employee or Dependent becomes eligible for assistance with payment of Employee contributions to this Plan through a Medicaid or CHIP plan (including any waiver or demonstration project conducted with respect to such plan), and the Employee or Dependent requests enrollment in this Plan within 60 days after the date the Employee or Dependent is determined to be eligible for such assistance.

If a Dependent becomes eligible to enroll under this provision and the Employee is not then enrolled, the Employee must enroll in order for the Dependent to enroll.

Coverage will become effective as of the first day of the first calendar month following the date the completed enrollment form is received unless an earlier date is established by the Employer or by regulation.

TERMINATION OF COVERAGE

The Employer or Plan has the right to rescind any coverage of the Employee and/or Dependents for cause, making a fraudulent claim or an intentional material misrepresentation in applying for or obtaining coverage, or obtaining benefits under the Plan. The Employer or Plan may either void coverage for the Employee and/or covered Dependents for the period of time coverage was in effect, may terminate coverage as of a date to be determined at the Plan's discretion, or may immediately terminate coverage. If coverage is to be terminated or voided retroactively for fraud or misrepresentation, the Plan will provide at least 31 days' advance written notice of such action. The Employer will refund all contributions paid for any coverage rescinded; however, claims paid will be offset from this amount. The Employer reserves the right to collect additional monies if claims are paid in excess of the Employee's and/or Dependent's paid contributions.

When Employee Coverage Terminates. Employee coverage will terminate on the earliest of these dates (except in certain circumstances, a covered Employee may be eligible for COBRA continuation coverage. For a complete explanation of when COBRA continuation coverage is available, what conditions apply and how to select it, see the section entitled Continuation Coverage Rights under COBRA):

- (1) The date the Plan is terminated.
- (2) The end of the month the covered Employee's Eligible Class is eliminated.
- (3) The end of the month in which the covered Employee ceases to be in one of the Eligible Classes. This includes death or termination of Active Employment of the covered Employee. (See the section entitled Continuation Coverage Rights under COBRA.)
- (4) The end of the month following the date you enter the armed forces of any country on a full-time active duty basis.
- (5) If you are absent from work due to an approved leave of absence, other than a Family and Medical Leave Act leave, coverage terminates at the end of the month from the date of the leave of absence.
- (6) If you are absent from work due to a temporary layoff, coverage terminates at the end of the month from the date of the layoff.
- (7) The end of the period for which the required contribution has been paid if the charge for the next period is not paid when due.
- (8) If an Employee commits fraud, makes an intentional misrepresentation of material fact in applying for or obtaining coverage, or obtaining benefits under the Plan, or fails to notify the Plan Administrator that he or she has become ineligible for coverage, then the Employer or Plan may either void coverage for the Employee and covered Dependents for the period of time coverage was in effect, may terminate coverage as of a date to be determined at the Plan's discretion, or may immediately terminate coverage. If coverage is to be terminated or voided retroactively for fraud or misrepresentation, the Plan will provide at least 31 days' advance written notice of such action.

Continuation During Family and Medical Leave. Regardless of the established leave policies mentioned above, this Plan shall at all times comply with the Family and Medical Leave Act of 1993 as promulgated in regulations issued by the Department of Labor.

During any leave taken under the Family and Medical Leave Act, the Employer will maintain coverage under this Plan on the same conditions as coverage would have been provided if the covered Employee had been continuously employed during the entire leave period.

If Plan coverage terminates during the FMLA leave, coverage will be reinstated for the Employee and his or her covered Dependents if the Employee returns to work in accordance with the terms of the FMLA leave. Coverage will be reinstated only if the person(s) had coverage under this Plan when the FMLA leave started, and will be reinstated to the same extent that it was in force when that coverage terminated. For example, Pre-Existing Conditions limitations will not be imposed unless they were in effect for the Employee and/or his or her Dependents when Plan coverage terminated.

Rehiring a Terminated Employee. A terminated Employee who is rehired will be treated as a new hire and be required to satisfy all Eligibility and Enrollment requirements. However, if the Employee is returning to work directly from COBRA coverage, this Employee does not have to satisfy Pre-Existing Conditions provision.

Employees on Military Leave. Employees going into or returning from military service may elect to continue Plan coverage as mandated by the Uniformed Services Employment and Reemployment Rights Act (USERRA) under the following circumstances. These rights apply only to Employees and their Dependents covered under the Plan immediately before leaving for military service.

- (1) The maximum period of coverage of a person and the person's Dependents under such an election shall be the lesser of:
 - (a) The 24 month period beginning on the date on which the person's absence begins; or
 - (b) The day after the date on which the person was required to apply for or return to a position of employment and fails to do so.
- (2) A person who elects to continue health plan coverage must pay up to 102% of the full contribution under the Plan, except a person on active duty for 30 days or less cannot be required to pay more than the Employee's share, if any, for the coverage.
- (3) An exclusion or Waiting Period may not be imposed in connection with the reinstatement of coverage upon reemployment if one would not have been imposed had coverage not been terminated because of service. However, an exclusion or Waiting Period may be imposed for coverage of any Illness or Injury determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, the performance of uniformed service.

If the Employee wishes to elect this coverage or obtain more detailed information, contact the Claims Administrator at (800) 423-1841. The Employee may also have continuation rights under USERRA. In general, the Employee must meet the same requirements for electing USERRA coverage as are required under COBRA continuation coverage requirements. Coverage elected under these circumstances is concurrent not cumulative. The Employee may elect USERRA continuation coverage

for the Employee and their Dependents. Only the Employee has election rights. Dependents do not have any independent right to elect USERRA health plan continuation.

When Dependent Coverage Terminates. A Dependent's coverage will terminate on the earliest of these dates (except in certain circumstances, a covered Dependent may be eligible for COBRA continuation coverage. For a complete explanation of when COBRA continuation coverage is available, what conditions apply and how to select it, see the section entitled Continuation Coverage Rights under COBRA):

- (1) The date the Plan or Dependent coverage under the Plan is terminated.
- (2) The date that the Employee's coverage under the Plan terminates for any reason including death. (See the section entitled Continuation Coverage Rights under COBRA.)
- (3) The date a covered Spouse loses coverage due to loss of eligibility status. (See the section entitled Continuation Coverage Rights under COBRA.)
- (4) The end of the month in which the Qualified Dependent ceases to meet the applicable eligibility requirements. (See the section entitled Continuation Coverage Rights under COBRA.)
- (5) The end of the month in which the Child ceases to meet the applicable eligibility requirements. (See the section entitled Continuation Coverage Rights under COBRA.)
- (6) The end of the period for which the required contribution has been paid if the charge for the next period is not paid when due.
- (7) If a Dependent commits fraud or makes an intentional misrepresentation of material fact in applying for or obtaining coverage, or obtaining benefits under the Plan, or fails to notify the Plan Administrator that he or she has become ineligible for coverage, then the Employer or Plan may either void coverage for the Dependent for the period of time coverage was in effect, may terminate coverage as of a date to be determined at the Plan's discretion, or may immediately terminate coverage. If coverage is to be terminated or voided retroactively for fraud or misrepresentation, the Plan will provide at least 31 days' advance written notice of such action.

OPEN ENROLLMENT

OPEN ENROLLMENT

Every December, the annual open enrollment period, covered Employees and their covered Dependents will be able to change some of their benefit decisions based on which benefits and coverages are right for them.

Every December, the annual open enrollment period, Employees and their Dependents who are Late Enrollees will be able to enroll in the Plan.

Benefit choices made during the open enrollment period will become effective January 1st and remain in effect until the next January 1st unless there is a Special Enrollment event or a change in family status during the year (birth, death, marriage, divorce, adoption) or loss of coverage due to loss of a Spouse's employment. To the extent previously satisfied, Pre-Existing Conditions Limits will be considered satisfied when changing from one benefit option under the Plan to another benefit option under the Plan.

Benefit choices for Late Enrollees made during the open enrollment period will become effective January 1st.

A Plan Participant who fails to make an election during open enrollment will automatically retain his or her present coverage.

Plan Participants will receive detailed information regarding open enrollment from their Employer.

MEDICAL BENEFITS

Medical Benefits apply when Covered Charges are incurred by a Covered Person for care of an Injury or Sickness and while the person is covered for these benefits under the Plan.

DEDUCTIBLE

Deductible Amount. This is an amount of Covered Charges for which no benefits will be paid. Before benefits can be paid in a Calendar Year a Covered Person must meet the deductible shown in the Schedule of Benefits.

Family Unit Limit. When the maximum amount shown in the Schedule of Benefits has been incurred by members of a Family Unit toward their Calendar Year deductibles, the deductibles of all members of that Family Unit will be considered satisfied for that year.

Carry-Over Deductible. Any covered medical expenses incurred and applied toward the individual and family deductible amounts during the last three (3) months of the year (October, November, December) are applied to the individual and family deductible amounts for both the present and the following Calendar Year. Out of pocket reimbursement of 100% does not carry over.

Common Accident Deductible. If two (2) or more covered family members are injured in the same accident only one (1) deductible will apply to all covered medical expenses incurred as a result of that accident during the Calendar Year of the accident.

The payment of benefits and the satisfaction of the medical expense deductible as described apply only to those injuries sustained in the accident. Covered charges related to any other injury or illness will be payable on a separate basis as though this provision has not been included.

BENEFIT PAYMENT

Each Calendar Year, benefits will be paid for the Covered Charges of a Covered Person that are in excess of the deductible and any copayments. Payment will be made at the rate shown under reimbursement rate in the Schedule of Benefits. No benefits will be paid in excess of the Maximum Benefit Amount or any listed limit of the Plan.

OUT-OF-POCKET LIMIT

Covered Charges are payable at the percentages shown each Calendar Year until the out-of-pocket limit shown in the Schedule of Benefits is reached. Then, Covered Charges incurred by a Covered Person will be payable at 100% (except for the charges excluded) for the rest of the Calendar Year.

When a Family Unit reaches the out-of-pocket limit, Covered Charges for that Family Unit will be payable at 100% (except for the charges excluded) for the rest of the Calendar Year.

MAXIMUM BENEFIT AMOUNT

The Maximum Benefit Amount is shown in the Schedule of Benefits. It is the total amount of benefits that will be paid under the Plan for all Covered Charges incurred by a Covered Person for Essential Health Benefits during the Plan Year. The Maximum Benefit applies to all plans and benefit options offered under the HMS Enterprises, Inc. Group Health Benefit Plan, including the ones described in this document.

COVERED CHARGES

Covered Charges are the Usual and Reasonable Charges that are incurred for the following items of service and supply. These charges are subject to the benefit limits, exclusions and other provisions of this Plan. A charge is incurred on the date that the service or supply is performed or furnished.

- (1) **Hospital Care.** The medical services and supplies furnished by a Hospital or Outpatient Surgical Center or a Birthing Center. Covered Charges for room and board will be payable as shown in the Schedule of Benefits.

Room charges made by a Hospital having only private rooms will be paid at the average private room rate.

Charges for an Intensive Care Unit stay are payable as any other In-patient admission.

- (2) **Coverage of Pregnancy.** Charges for obstetrical care are paid on the same basis as any other illness, including pre-natal care, pregnancy, and miscarriages. Benefits are provided for the pregnancy of a Dependent Child; however, benefits are not payable for the newborn unless and until the Employee (the grandparent) becomes the legal guardian for that child.

Group health plans generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

(3) **Skilled Nursing/Extended Care Facility.** The Plan will provide benefits to the maximum shown on the Schedule of Benefits, per Calendar Year, for charges made by a Skilled Nursing/Extended Care Facility for convalescing from an Illness or Injury. Covered charges include:

- (a) Room and Board including charges for services such as general nursing care made in connection with room occupancy. The charge for daily Room and Board is limited to the facility's semi-private room rate.
- (b) Use of special treatment rooms, x-ray and laboratory examination, physical, occupational, or Speech Therapy and other medical services customarily provided by a Skilled Nursing/Extended Care Facility except private duty or special nursing services or Physician's services.
- (c) Drugs, biological solutions, dressings, casts and other Medically Necessary supplies.

Benefits are provided when an individual is confined in a Skilled Nursing/Extended Care Facility if:

- (a) He becomes confined in a Hospital for treatment of an Illness or Injury and,
- (b) He is confined in the Skilled Nursing/Extended Care Facility after the end of that Hospital confinement, and
- (c) The attending Physician certified that 24 hour nursing care is necessary for the recuperation from an Injury or Illness which required the Hospital confinement, and
- (d) He is confined in the Skilled Nursing/Extended Care Facility to receive skilled nursing and physical restorative services for convalescence from the Illness or Injury that caused that Hospital confinement.

(4) **Physician Care.** The professional services of a Physician for surgical or medical services.

Charges for **multiple surgical procedures** will be a Covered Charge subject to the following provisions:

- (a) If bilateral or multiple surgical procedures are performed by one (1) surgeon, benefits will be determined based on the Usual and Reasonable Charge that is allowed for the primary procedures; 50% of the Usual and Reasonable Charge will be allowed for each additional procedure performed through the same incision. Any procedure that would not be an integral part of the primary procedure or is unrelated to the diagnosis will be considered "incidental" and no benefits will be provided for such procedures;
- (b) If multiple unrelated surgical procedures are performed by two (2) or more surgeons on separate operative fields, benefits will be based on the Usual and Reasonable Charge for each surgeon's primary procedure. If two (2) or more surgeons perform a procedure that is normally performed by one (1) surgeon, benefits for all surgeons

will not exceed the Usual and Reasonable percentage allowed for that procedure;
and

- (c) If an assistant surgeon is required, the assistant surgeon's Covered Charge will not exceed 20% of the surgeon's Usual and Reasonable allowance.

- (5) **Home Health Care Services and Supplies.** Charges for home health care services and supplies are covered only for care and treatment of an Injury or Sickness when Hospital or Skilled Nursing Facility confinement would otherwise be required. The diagnosis, care and treatment must be certified by the attending Physician and be contained in a Home Health Care Plan.

Benefit payment for nursing, home health aide and therapy services is subject to the Home Health Care limit shown in the Schedule of Benefits.

A home health care visit will be considered a periodic visit by either a nurse or therapist, as the case may be, or four hours of home health aide services.

Home health care will not include meals; personal comfort items; housekeeping services; services or supplies not prescribed in the Home Health Care Plan; Services of a person who ordinarily resides in your home, or who is a member of your or your spouse's family; transportation services; and/or treatment of psychiatric conditions of any type, including substance abuse.

- (6) **Hospice Care Services and Supplies.** Charges for hospice care services and supplies are covered only when the attending Physician has diagnosed the Covered Person's condition as being terminal, determined that the person is not expected to live more than six months and placed the person under a Hospice Care Plan.

Covered Charges for Hospice Care Services and Supplies are payable as described in the Schedule of Benefits.

Bereavement counseling services by a licensed social worker or a licensed pastoral counselor for the patient's immediate family (covered Spouse and/or other covered Dependents).

The following Hospice Care expenses are not covered under the Plan: transportation services; financial or legal counseling for estate planning or drafting a will.

- (7) **Other Medical Services and Supplies.** These services and supplies not otherwise included in the items above are covered as follows:

- a) Medically necessary and elective **abortions**.

- b) Professional **ambulance** services to and from a Hospital or extended care facility where medical care and treatment necessary for the Illness or Injury can be provided, or a) between hospitals and extended care facilities when a transfer is necessary to provide adequate care; or b) regularly scheduled airline or railroad or air Ambulance from the city in which the covered person became ill or was injured to and from the nearest Hospital that provides treatment for such Illness or Injury.

- c) **Anesthesia** and its administration when rendered by a Physician other than the operating surgeon or by a Certified Registered Nurse Anesthetist. However, benefits will be provided for anesthesia services administered by oral and maxillofacial surgeons when such services are rendered in the surgeon's office or an ambulatory surgical facility.
- d) **Blood** and blood plasma to the extent not donated or replaced.
- e) **Cardiac rehabilitation** as deemed Medically Necessary.
- f) **Casts, splints**, crutches, cervical collars, head halters, traction apparatus and orthopedic braces including necessary adjustments to shoes to accommodate braces. Shoes inserts are covered for a Covered Person with a diagnosis of diabetes.
- g) Radiation or **chemotherapy** and treatment with radioactive substances. The materials and services of technicians are included.
- h) Initial **contact lenses** or glasses, but not both, prescribed following cataract surgery or 1 pair of sclera shells intended for use as corneal bandages.
- i) Charges for the insertion and removal of **contraceptive** implants, including, but not limited to diaphragms and IUDs.
- j) Benefits will be provided for **diabetes** self management training and medical nutrition education on an outpatient basis as part of an office visit, group setting or home visit provided the services are prescribed by a physician and are listed in the National Standards for Diabetes Self-Management Education Programs as published by the American Diabetes Association.
- k) Rental of **durable medical or surgical equipment** if deemed Medically Necessary. These items may be bought rather than rented, with the cost not to exceed the fair market value of the equipment at the time of purchase.
- l) The initial outpatient treatment of an **emergency medical and emergency accident** rendered in a hospital or physician.

The term Medical Emergency means the sudden and unexpected onset of a medical condition manifesting itself by symptoms severe enough that the absence of medical attention could reasonably result in serious and permanent dysfunction of any bodily organ or part, or other serious and permanent medical consequences.

Examples of medical emergencies include, but are not limited to, chest pain, suspected poisoning, severe and persistent abdominal pain, convulsions and emergencies by broadly accepted medical standards.

- m) Charges for an **eye exam** including refraction, limited as shown on the Schedule of Benefits.

- n) Charges for **genetic** counseling and genetic studies only when required for diagnosis or treatment of genetic abnormalities where historical evidence suggests a potential for such abnormalities and the testing will alter the outcome of treatment.
- o) Charges for **growth hormone therapy** for Dependent children less than 18 years of age who have been appropriately diagnosed to have an actual growth hormone deficiency.
- p) Charges for **hearing screening** to determine hearing loss.
- q) Charges for **human leukocyte antigen** testing, limited to the amount shown on the Schedule of Benefits.
- r) Diagnostic studies and certain surgical procedures related to diagnosing **infertility**. Infertility shall mean the inability to conceive a child after 1 year of unprotected sexual intercourse or the inability to sustain a successful pregnancy.
- s) **Injections** received in a Physician's office, including, but not limited to, allergy immunotherapy.
- t) Treatment of **Mental Disorders and Substance Abuse**. For Plan Years beginning on or after October 3, 2009, regardless of any limitations on benefits for Mental Disorders and Substance Abuse Treatment otherwise specified in the Plan, any aggregate annual limit, financial requirement, out-of-network exclusion or treatment limitation on Mental Disorders and Substance Abuse benefits imposed by the Plan shall comply with federal parity requirements, if applicable.

Covered Charges for care, supplies and treatment of Mental Disorders and Substance Abuse will be limited as follows:

Psychiatrists (M.D.), psychologists (Ph.D.), counselors (Ph.D.) or Masters of Social Work (M.S.W.) or professional counselor are covered provided they are acting within the scope of his/her license.

- u) Injury to or care of **mouth, teeth and gums**. Charges for Injury to or care of the mouth, teeth, gums and alveolar processes will be Covered Charges under Medical Benefits only if that care is for the following oral procedures:

Excision of tumors and cysts of the jaws, cheeks, lips, tongue, roof and floor of the mouth, removal of bony growths of the jaw and soft palate; and related anesthesia.

Biopsies of the oral cavity and related anesthesia.

Expenses billed by a hospital for inpatient and outpatient dental services will be covered for a Child under the age of 5, a Covered Person who is severely disabled or a Covered Person who has a serious medical condition or behavioral condition that requires hospitalization.

- v) **Occupational therapy** by a licensed occupational therapist. Therapy must be ordered by a Physician, result from an Injury or Sickness and improve a body

function. Covered Charges do not include recreational programs, maintenance therapy or supplies used in occupational therapy. Benefits are limited to the amount shown on the Schedule of Benefits.

- w) **Human Organ transplant.** Coverage includes benefits for medically necessary expenses related to human organ, bone marrow and tissue transplants. Expenses incurred by a live organ donor, who is without insurance coverage and is not covered under this Plan will be covered. Expenses incurred for organs obtained through an organ bank or from a cadaver and expenses for storage and transportation that are reasonable and customary, are covered under this Plan. Donor screening tests are limited to a lifetime maximum of \$10,000. If both the recipient and the donor are covered under this Plan, the expenses will be treated separately. If the donor is covered under this Plan and the recipient is not, there is no coverage for the donor's expenses. Travel and lodging expenses for the Covered Person and 1 family member are limited to \$5,000 per lifetime.
- x) **Oxygen** and rental of equipment for its administration.
- y) **Physical therapy** by a licensed physical therapist. The therapy must be in accord with a Physician's exact orders as to type, frequency and duration and for conditions which are subject to significant improvement through short-term therapy. Benefits are limited to the amount shown on the Schedule of Benefits.

Coverage for Medically Necessary preventative physical therapy for Covered Persons who have been diagnosed with Multiple Sclerosis. The therapy must be prescribed by a physician and include reasonably defined goals including sustaining the level of function the person has achieved, with periodic evaluation of the efficacy of the physical therapy.

Coverage will be subject to the same deductible, co-insurance, and cost sharing limitation, treatment limitation, Calendar year Maximum or other limitation that is applied to physical therapy treatment for all other conditions.

- z) Charges for formula and/or food used for **PKU** or any other amino and organic acid inherited disease. Benefits are limited to the amount shown on the Schedule of Benefits.
- aa) **Prescription** Drugs which require a physician's written prescription including insulin, insulin syringes and contraceptives.

Drugs and medications purchased through the Prescription Drug Plan will be covered as shown on the Schedule of Benefits.

Maintenance medications obtained through a Mail Order Prescription Drug Plan are payable as shown on the Schedule of Benefits.

FDA approved medications used for conditions other than those for which they received FDA approval, when considered the standard for care and *not* part of a clinical study or in conjunction with any experimental treatment. For the purposes of this Plan, Standard of Care is defined as, charges for any care, treatment, services

or supplies that are approved or accepted as essential to the treatment of any Illness or Injury by the American Medical Association, U.S. Surgeon General, U.S. Department of Public Health, or the National Institute of Health, and recognized by the medical community as potentially safe and efficacious for the care and treatment of the Injury or Illness.

- bb)** Routine **Preventive Care**. Covered Charges under Medical Benefits are payable for routine Preventive Care as described in the Schedule of Benefits.
- cc)** Charges made by a register nurse (R.N.) or licensed practical nurse (L.P.N.) for **private duty nursing** services when the attending physician certifies that such nursing care is medically necessary.
- dd)** Charges for artificial limbs, eyes and other **prosthetic devices** to replace physical organs and body parts, including replacements which are medically necessary or required by pathological change or normal growth. Covered charges **do not** include expenses for the repair or replacement of damaged, lost or stolen devices.
- ee)** Charges for **pulmonary rehabilitation therapy**. Benefits are limited to the amount shown on the Schedule of Benefits.
- ff)** **Reconstructive/Cosmetic Surgery**. Correction of abnormal congenital conditions and reconstructive mammoplasties will be considered Covered Charges.
 - (i)** The surgery must be required to correct a condition that results from an illness or injury; or
 - (ii)** The surgery is required to correct the congenital anomaly of a Dependent child.

Cosmetic Surgery related to acne is not a covered expense.

This **mammoplasty** coverage will include reimbursement for:

- (i)** reconstruction of the breast on which a mastectomy has been performed,
 - (ii)** surgery and reconstruction of the other breast to produce a symmetrical appearance, and
 - (iii)** coverage of prostheses and physical complications during all stages of mastectomy, including lymphedemas, in a manner determined in consultation with the attending Physician and the patient.
- gg)** **Renal dialysis treatment**, including equipment and supplies when such services are provided in a hospital, dialysis facility or in the home under the supervision of a hospital or dialysis facility.
 - hh)** **Speech therapy** by a licensed speech therapist. Therapy must be ordered by a Physician when such therapy is administered to restore or rehabilitate speech impairment due to a congenital defect or due to an injury or due to an illness that is

other than a Non-Organic/Functional disorder (i.e., lisping, stuttering, and stammering), a non-curable developmental disorder (i.e., mental retardation, down's syndrome) delayed speech or other learning development disorder. Benefits are limited to the amount shown on the schedule of Benefits.

- ii) Spinal Manipulation/Chiropractic services** by a licensed M.D., D.O. or D.C. Chiropractic are, by any name called, including all professional services for the detection and correction by manual or mechanical means (with or without the application of treatment modalities such as, but not limited to diathermy, ultrasound, heat and cold) of the spinal skeletal system and/or surrounding tissue to restore proper articulation of joints, alignment of bones or nerve functions. Such care may not be considered a covered expense if it is determined to be maintenance palliative. Benefits are limited to the amount shown on the Schedule of Benefits.
- jj) Voluntary Sterilization** procedures, but not the reversal of such procedures.
- kk) Surgical dressings**, including bandages and dressings, except for over the counter supplies and products not requiring a prescription.
- ll) Coverage of Well Newborn Nursery/Physician Care.** Routine well newborn nursery care, physicians charges for pediatric care and circumcision while the newborn is Hospital-confined after birth and includes room, board and other normal care for which a Hospital makes a charge.

The benefit is limited to Usual and Reasonable Charges for nursery care for the newborn child while Hospital confined as a result of the child's birth.

Charges for covered routine nursery care will be applied toward the Plan of the newborn child.

Charges for newborn hearing screening examinations, any necessary re-screening, audiological assessment and any requisite follow up.
- mm) Diagnostic x-rays and laboratory examinations**, including allergy testing, for diagnostic or treatment purposes.

PLAN EXCLUSIONS

Note: All exclusions related to Prescription Drugs are shown in the Prescription Drug Plan.

For all Medical Benefits shown in the Schedule of Benefits, a charge for the following is not covered:

- (1) **Acupressure, acupuncture,** aromatherapy, holistic medicine, homeopathy, hypnotism, massage therapy, music therapy, dance therapy, horseback therapy, reiki therapy, herbal, vitamin or dietary products, rolfing, or other forms of alternative treatment as defined by the Office of Alternative Medicine of the National Institutes of Health.
- (2) **Appliances.** Special braces, splints, equipment, appliances, battery or anatomically controlled implants unless Medically Necessary. Braces and supports needed for athletic participation or employment are not covered.
- (3) **Behavioral problems or social maladjustment.** Services or supplies received during an inpatient stay when the stay is primarily for behavioral problems or social maladjustment or other anti-social actions which are not specifically the result of mental illness.
- (4) **Biofeedback.**
- (5) **Chelation (metallic ion) therapy.**
- (6) **Custodial care.** Services or supplies provided mainly as a rest cure, maintenance or Custodial Care. Such activities include, but are not limited to: bathing, dressing, feeding, preparation of special diets, assistance in walking or in getting in and out of bed and supervision over medication which can normally be self-administered.
- (7) **Domiciliary care.** Charges for domiciliary care, private duty nursing, respite care or rest care.
- (8) **Educational services.** Educational services for remedial education including, but not limited to, evaluation or treatment of learning disabilities, minimal brain dysfunction, cerebral palsy, mental retardation, developmental and learning disorders and behavioral training.
- (9) **Employment or vocational.** Charges for testing, training, rehabilitation or counseling for employment or vocational purposes.
- (10) **Exercise programs/equipment.** Exercise programs for treatment of any condition, except for Physician-supervised cardiac rehabilitation, occupational or physical therapy if covered by this Plan. Also excluded, exercise bicycles and other types of physical fitness equipment.
- (11) **Experimental or not Medically Necessary.** Care and treatment that is either Experimental/Investigational or not Medically Necessary. Medically Necessary hospitalization, services or supplies are those which are required for treatment of the illness or injury for which they are performed, which meet generally accepted standards

of medical practice and which are provided in the most cost-effective manner. Medically necessary hospital inpatient services are those which require inpatient care in an acute care hospital and cannot safely and effectively be provided in a physician's office, hospital outpatient department or other facility.

Charges for experimental drug that: a) are not commercially available for purchase; b) are not approved by the Food and Drug Administration (FDA) for general use; c) are not being used for the condition or illness for which they received FDA approval, except as shown as a covered expense; d) are not recognized by state or national medical communities, Medicare, Medicaid or other governmental financed programs.

- (12) **Eye care.** Radial keratotomy or other eye surgery to correct refractive disorders. This exclusion does not apply to aphakic patients and soft lenses or sclera shells intended for use as corneal bandages or as may be covered under the well adult or well child sections of this Plan.
- (13) **Failure to keep appointment.** Charges for failure to keep a scheduled visit, charges for completion of a claim form, charges for telephone conversations, or for medical records.
- (14) **Foot care.** Treatment of weak, strained, flat, unstable or unbalanced feet, metatarsalgia or bunions (except open cutting operations), treatment of corns, calluses or toenails (unless at least part of the nail root is removed and if needed in treatment of a metabolic or peripheral-vascular disease), supportive devices (orthotics) for such conditions, except as shown as a Covered Expense. Also excluded, assistant surgeon and co-surgeon services related to podiatry surgery.
- (15) **Foreign travel.** Care, treatment or supplies out of the U.S. if travel is for the sole purpose of obtaining medical services.
- (16) **Government coverage.** Care, treatment or supplies furnished by a program or agency funded by any government. This exclusion does not apply to Medicaid or when otherwise prohibited by applicable law.
- (17) **Health examinations.** Health examinations required for the use of a third party. Also charges for services required by any employer as a condition of employment, or rendered through a medical department, clinic or other similar facility provided by an employer or by a union Employee benefit association or similar group of which the person is a member.
- (18) **Hearing aids and cochlear implants.**
- (19) **Hypnotherapy and hypnosis.**
- (20) **Infertility.** Charges for services for the promotion of conception including, but not limited to, artificial insemination, in vitro or in vivo fertilization, gamete intrafallopian transfer (GIFT) procedures, zygote intrafallopian transfer (ZIFT) procedures, embryo transfer procedures, sterilization reversal, surrogate patenting, selective reduction, cryo preservation, travel costs, donor eggs or semen and related costs, and non-Medically Necessary amniocentesis.

- (21) **Marital, pre-marital, religious, or sexual counseling.** Care and treatment for marital, pre-marital, religious, or sexual counseling.
- (22) **Massage therapy.**
- (23) **Milieu Therapy.** Care and treatment for milieu therapy or any confinement in an institution primarily to change or control one's environment.
- (24) **Non-emergency Hospital admissions.** Care and treatment billed by a Hospital for non-Medical Emergency admissions on a Friday, a Saturday, or a Sunday. This does not apply if surgery is performed within 24 hours of admission.
- (25) **No obligation to pay.** Charges incurred for which the Plan has no legal obligation to pay.
- (26) **Not approved.** Charges for any care, treatment, services or supplies that are: not approved or accepted as essential to the treatment of any illness or injury by any of the following: the American Medical Association, the U.S. Surgeon General, the U.S. Department of Public Health, or the National Institute of Health; or not recognized by the medical community as potentially safe and efficacious for the care and treatment of the injury or illness.
- (27) **Not recognized.** Charges or care that is not recognized by the medical community as potentially safe and efficacious for the care and treatment of the Injury or Illness.
- (28) **Nutrition supplements.** Charges for food supplements, nutritional supplements, vitamins or minerals, except as shown as a covered expense.
- (29) **Obesity.** Charges for care, treatment, surgery, services or supplies that are primarily for obesity, weight reduction or dietary control, including but not limited to vitamins, diet supplements or enrollment in health, athletic or similar clubs or exercise programs, whether formal or informal and whether or not recommended by a Physician, or complications thereof.
- (30) **Occupational.** Care and treatment of an Injury or Sickness that is occupational -- that is, arises from work for wage or profit including self-employment. Charges for or in connection with an illness or injury for which a covered person is entitled to benefits under any workers' compensation or occupation disease law or similar local, state or federal statutes under which the covered person is entitled to benefits.
- (31) **Optical or visual aids.** Optical or visual aids, including contact lenses and eyeglasses, or eye exercise therapy except as indicated under Covered Expenses.
- (32) **Orthopedic shoes.**
- (33) **Personal hygiene or comfort items.** Personal hygiene, comfort, or convenience items or other equipment, such as, but not limited to, air conditioners, air-purification units, humidifiers, electric heating units, orthopedic mattresses, vans or lifts, stair lifts, blood pressure instruments, scales, elastic bandages or stockings, nonprescription drugs

and medicines, whirlpools, saunas, swimming pools, and first-aid supplies and nonhospital adjustable beds.

- (34) **Physical or occupational therapy.** Charges for physical or occupational therapy when it is not a constructive therapeutic activity designed and adapted to promote the improvement of physical function and expenses for supportive (maintenance/palliative) care treatment when maximum therapeutic benefit has been reached.
- (35) **Reasonable and Customary.** Any charges in excess of reasonable and customary fees.
- (36) **Reconstructive or cosmetic surgery.** Reconstructive or cosmetic surgery, except for reconstructive surgery following a mastectomy or the correction of congenital deformities or conditions resulting from an illness or injury. Cosmetic surgery related to acne is not a covered expense.
- (37) **Recreational or educational therapy.** Recreational or educational therapy or forms of non-medical self-care or self-help training and any diagnostic testing.
- (38) **Relative giving services.** Professional services performed by a person who ordinarily resides in the Covered Person's home or is related to the Covered Person as a Spouse, parent, child, brother or sister, whether the relationship is by blood or exists in law.
- (39) **Replacements.** Charges for the replacement costs for any covered appliance for changes due to obesity; routine maintenance due to normal wear and tear or negligence of items that are owned by the Covered Person; foot or shoe inserts, arch supports, heel lifts, heel or sole wedges, heel pads, or insoles whether custom-made or prefabricated; also excluded are cranial (head) remodeling band or any such service or supply for the treatment of positional non-synostic plagiocephaly, and other protected head gear.
- (40) **Routine care.** Charges for routine or periodic examinations, screening examinations, evaluation procedures, preventive medical care, or treatment or services not directly related to the diagnosis or treatment of a specific Injury, Sickness or Pregnancy-related condition which is known or reasonably suspected, unless such care is specifically covered in the Schedule of Benefits or under covered expenses.
- (41) **Services before or after coverage.** Care, treatment or supplies for which a charge was incurred before a person was covered under this Plan or after coverage ceased under this Plan.
- (42) **Sex changes.** Care, services or treatment for non-congenital transsexualism, gender dysphoria or sexual reassignment or change. This exclusion includes medications, implants, hormone therapy, surgery, medical or psychiatric treatment.
- (43) **Smoking cessation.** Care and treatment for smoking cessation programs, including smoking deterrent products, except as shown as a covered expense.
- (44) **Social Worker.** Charges for services provided by a Social Worker, except as shown as a covered expense.

- (45) **Speech therapy.** Speech therapy unless it is required because of a physical impairment caused by an illness, injury, or congenital deformity.
- (46) **Surgical sterilization reversal.** Care and treatment for reversal of surgical sterilization or surrogate parenting.
- (47) **Temporomandibular Joint (TMJ).** Charges for the diagnosis and treatment of temporomandibular joint dysfunction.
- (48) **Teeth, gums or alveolar process.** Charges and care of the teeth, gums or alveolar process, and dentures, appliances or supplies used in such care and treatment, except as shown as a covered expense. Charges for dental services related to an accidental injury, including, but not limited to, treatment of natural teeth and the purchase, repair or replacement of dental prostheses needed as a direct result of the accidental injury. Charges for upper and lower jaw bone surgery and dental implants (including that related to the temporomandibular and Craniomandibular joint), removal of teeth as a complication of radionecrosis, oral surgery supplies required as part of an orthodontic treatment program, required for correction of an occlusal defect, encompassing orthognathic or prognathic surgical procedures, or removal of symptomatic bony impacted teeth.
- (49) **Travel or accommodations.** Charges for travel or accommodations, whether or not recommended by a Physician, except for ambulance charges as defined as a Covered Charge.
- (50) **War.** Any loss that is due to a declared or undeclared act of war, service in any military, naval, or air force of any country or international organization, or in any auxiliary or civilian noncombatant unit serving with such forces. This exclusion includes charges for or in connection with an injury or illness arising out of the participation in, or in consequence of having participated in, a riot, insurrection or civil disturbance or the commission of a felony.
- (51) **Wigs and hair transplants.**

PRESCRIPTION DRUG BENEFITS

The Plan Sponsor has contracted with ProCare RX to administer a Prescription Drug Program. Benefits provided under this program are based on the benefits outlined in the Schedule of Benefits. Expenses eligible under the program are defined in the separate contract between the Plan Sponsor and ProCare RX. A listing of pharmacies participating in the network will be provided to you when you become covered.

If you have any questions regarding the program or require assistance, you may call ProCare RX at 1-800-699-3542.

COST MANAGEMENT SERVICES

Cost Management Services Phone Number

American Health Holding
(877) 284-0102

The provider, patient or family member must call this number to receive certification of certain Cost Management Services. This call should be made as soon as possible or within 48 hours after a Medical Emergency.

Any reduced reimbursement due to failure to follow cost management procedures will not accrue toward the 100% maximum out-of-pocket payment.

UTILIZATION REVIEW

Utilization review is a program designed to help insure that all Covered Persons receive necessary and appropriate health care while avoiding unnecessary expenses.

The program consists of:

- (a) Precertification of the Medical Necessity for the following non-emergency services before Medical and/or Surgical services are provided:
In-patient Hospitalizations
- (b) Retrospective review of the Medical Necessity of the listed services provided on an emergency basis;
- (c) Concurrent review, based on the admitting diagnosis, of the listed services requested by the attending Physician; and
- (d) Certification of services and planning for discharge from a Medical Care Facility or cessation of medical treatment.

The purpose of the program is to determine what charges may be eligible for payment by the Plan. This program is not designed to be the practice of medicine or to be a substitute for the medical judgment of the attending Physician or other health care provider.

If a particular course of treatment or medical service is not certified, it means that either the Plan will not pay for the charges or the Plan will not consider that course of treatment as appropriate for the maximum reimbursement under the Plan. The patient is urged to find out why there is a discrepancy between what was requested and what was certified before incurring charges.

The attending Physician does not have to obtain precertification from the Plan for prescribing a maternity length of stay that is 48 hours or less for a vaginal delivery or 96 hours or less for a cesarean delivery.

In order to maximize Plan reimbursements, please read the following provisions carefully.

Here's how the program works.

Pre-certification. Before a Covered Person enters a Medical Care Facility on a non-emergency basis, the utilization review administrator will, in conjunction with the attending Physician, certify the care as appropriate for Plan reimbursement. A non-emergency stay in a Medical Care Facility is one that can be scheduled in advance.

The utilization review program is set in motion by a telephone call from, or on behalf of, the Covered Person. Contact the utilization review administrator at the telephone number on your ID card **at least 72 hours before** services are scheduled to be rendered with the following information:

- The name of the patient and relationship to the covered Employee
- The name, employee identification number and address of the covered Employee
- The name of the Employer
- The name and telephone number of the attending Physician
- The name of the Medical Care Facility, proposed date of admission, and proposed length of stay
- The proposed medical services

If there is an **emergency** admission to the Medical Care Facility, the patient, patient's family member, Medical Care Facility or attending Physician must contact the utilization review administrator **within 48 hours** of the first business day after the admission.

The utilization review administrator will determine the number of days of Medical Care Facility confinement authorized for payment. **Failure to follow this procedure may reduce reimbursement received from the Plan.**

If the Covered Person does not receive authorization as explained in this section, the benefit allowance will be reduced by \$500.

Concurrent review, discharge planning. Concurrent review of a course of treatment and discharge planning from a Medical Care Facility are parts of the utilization review program. The utilization review administrator will monitor the Covered Person's Medical Care Facility stay or use of other medical services and coordinate with the attending Physician, Medical Care Facilities and Covered Person either the scheduled release or an extension of the Medical Care Facility stay or extension or cessation of the use of other medical services.

If the attending Physician feels that it is Medically Necessary for a Covered Person to receive additional services or to stay in the Medical Care Facility for a greater length of time than has been pre-certified, the attending Physician must request the additional services or days.

PREADMISSION TESTING SERVICE

The Medical Benefits percentage payable will be for diagnostic lab tests and x-ray exams when:

- (1) performed on an outpatient basis within seven days before a Hospital confinement;
- (2) related to the condition which causes the confinement; and
- (3) performed in place of tests while Hospital confined.

CASE MANAGEMENT

Case Management. The Plan may elect, in its sole discretion, when acting on a basis that precludes individual selection, to provide alternative benefits that are otherwise excluded under the Plan. The alternative benefits, called "Case Management," shall be determined on a case-by-case basis, and the Plan's determination to provide the benefits in one instance shall not obligate the Plan to provide the same or similar alternative benefits for the same or any other Covered Person, nor shall it be deemed to waive the right of the Plan to strictly enforce the provisions of the Plan.

A case manager consults with the patient, the family and the attending Physician in order to develop a plan of care for approval by the patient's attending Physician and the patient. This plan of care may include some or all of the following:

- personal support to the patient;
- contacting the family to offer assistance and support;
- monitoring Hospital or Skilled Nursing Facility;
- determining alternative care options; and
- assisting in obtaining any necessary equipment and services.

Case Management occurs when this alternate benefit will be beneficial to both the patient and the Plan.

The case manager will coordinate and implement the Case Management program by providing guidance and information on available resources and suggesting the most appropriate treatment plan. The Plan Administrator, attending Physician, patient and patient's family must all agree to the alternate treatment plan.

Once agreement has been reached, the Plan Administrator will direct the Plan to cover Medically Necessary expenses as stated in the treatment plan, even if these expenses normally would not be paid by the Plan. Unless specifically provided to the contrary in the Plan Administrator's instructions, reimbursement for expenses incurred in connection with the treatment plan shall be subject to all Plan limits and cost sharing provisions.

Note: Case Management is a voluntary service. There are no reductions of benefits or penalties if the patient and family choose not to participate.

Each treatment plan is individually tailored to a specific patient and should not be seen as appropriate or recommended for any other patient, even one with the same diagnosis.

DEFINED TERMS

The following terms have special meanings and when used in this Plan will be capitalized.

Accident is an injury which is caused by an event which is sudden and unforeseen and exact as to time and place of occurrence.

Adverse Benefit Determination. A denial, reduction or termination of, or failure to provide or make payment (in whole or in part) for a benefit, or to provide or make payment that is based on a determination of participant's or beneficiary's eligibility to participate in a plan, with respect to group health plans. Included is failure to provide or make payment (in whole or in part) for a benefit resulting from the application of any utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be experimental or investigational or not medically necessary or appropriate.

Alcohol, Chemical Dependency or Drug Addiction Treatment Facility. A facility (other than a hospital) whose primary function is the treatment of alcoholism, chemical dependency or drug addiction and which is approved by the Joint Commission on Accreditation of Healthcare Organization (JCAHO) or is duly licensed by the appropriate governmental authority to provide such services.

Alternate Recipient. Any child of a participant who is recognized under a medical child support order as having a right to enrollment under a Group Health Plan. A person who is an Alternate Recipient under a QMCSO shall be considered a beneficiary under the Plan.

Ambulance. Emergency transportation in a specially equipped certified vehicle from the Covered Person's home, the scene of an accident or a medical emergency to a hospital, between hospitals, between a hospital and an extended care facility or from a hospital or an extended care facility to the Covered Person's home.

Ambulatory/Outpatient Surgical Center is a licensed facility that is used mainly for performing outpatient surgery, has a staff of Physicians, has continuous Physician and nursing care by registered nurses (R.N.s) and does not provide for overnight stays.

Applicable Premium. The cost to the Plan for the continuation coverage, calculated in accordance with Section 604 of ERISA.

Assignment of Benefits. Assignment of Benefits occurs when the Covered Person files a claim and authorizes the Plan to pay the Physician or Hospital directly.

Birthing Center means any freestanding health facility, place, professional office or institution which is not a Hospital or in a Hospital, where births occur in a home-like atmosphere. This facility must be licensed and operated in accordance with the laws pertaining to Birthing Centers in the jurisdiction where the facility is located.

The Birthing Center must provide facilities for obstetrical delivery and short-term recovery after delivery; provide care under the full-time supervision of a Physician and either a registered nurse (R.N.) or a licensed nurse-midwife; and have a written agreement with a Hospital in the same locality for immediate acceptance of patients who develop complications or require pre- or post-delivery confinement.

Calendar Year means January 1st through December 31st of the same year.

Certified Registered Nurse Anesthetist (CRNA) means a person who a) is a graduate of an approved school of nursing and is duly licensed as a Registered Nurse; b) is a graduate of an approved program of nurse anesthesia accredited by the Council of Certification of Nurse Anesthetists or its predecessors; c) has been certified by the Council of Certification of Nurse Anesthetists or the predecessors; and d) is recertified every 2 years by the Council of Recertification of Nurse Anesthetists.

Child means the Employee's Children under 26 years of age. The term Child shall include natural Children, a legally adopted child (including the period of probation when the child is placed with the adopting parents), a step-child, a child related to the Employee by blood or marriage and for whom the Employee has assumed legal guardianship, or a child whom the Employee must cover due to a Qualified Medical Child Support Order (QMCSO), subject to the conditions and limits of the law.

An unmarried child who is physically or mentally incapable of self-support upon attaining age 26 may be covered under the health care benefits, while remaining incapacitated, subject to the Covered Employee's own coverage continuing in effect. Such child will be considered a Covered Dependent if he was Disabled prior to his/her 26th birthday.

To continue Covered Dependent status of a child under this provision, proof of incapacity must be received by the Company within 31 days after coverage would otherwise terminate. Additional proof will be required from time to time.

Evidence satisfactory to the Company of Dependent eligibility under the Plan may be requested: for example, birth records or Federal Income Tax returns.

Claims Administrator. IPMG Employee Benefits Services

COBRA means the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended.

Company. HMS Enterprises, Inc.

Cosmetic Surgery means surgery that is intended to improve the appearance of a patient or preserve or restore a pleasing appearance. It does not mean surgery that is intended to correct normal functions of the body. This does not include reconstructive surgery resulting from an Illness or Injury.

Covered Charge(s) means those Medically Necessary services or supplies that are covered under this Plan.

Covered Person is an Employee or Dependent who is covered under this Plan.

Custodial Care is care (including Room and Board needed to provide that care) that is given principally for personal hygiene or for assistance in daily activities and can, according to generally accepted medical standards, be performed by persons who have no medical training. Examples of Custodial Care are help in walking and getting out of bed; assistance in bathing, dressing, feeding; or supervision over medication which could normally be self-administered.

Dependent means, for the purpose of this Plan, the Employee's Spouse and Children to the age of 26 and disabled children, if such incapacity occurred prior to the limiting age specified.

Dialysis Facility means a facility, other than a hospital, whose primary function is the provision of maintenance and/or training dialysis on an ambulatory basis for renal dialysis patients and which is duly licensed by the appropriate governmental authority to provide such services.

Disabled means a) the covered person's complete inability as an active Employee, to perform any and every duty pertaining to his occupation or employment or for an occupation for wage or profit; or b) the covered dependent's complete inability to perform the normal activities of a person of like age and sex; or c) the covered person's complete inability, as a retired Employee, to perform the normal activities of a person of like age and sex.

Durable Medical Equipment means equipment which (a) can withstand repeated use, (b) is primarily and customarily used to serve a medical purpose, (c) generally is not useful to a person in the absence of an Illness or Injury and (d) is appropriate for use in the home.

Emergency Services means a medical screening examination (as required under Section 1867 of the Social Security Act (EMTALA)) within the capability of the Hospital emergency department, including routine ancillary services, to evaluate a Medical Emergency and such further medical examination and treatment as are within the capabilities of the staff and facilities of the Hospital and required under EMTALA to stabilize the patient.

Employee means a person who is an Active, regular Employee of the Employer, regularly scheduled to work for the Employer in an Employee/Employer relationship.

Employer is HMS Enterprises, Inc.

Enrollment Date is the first day of coverage or, if there is a Waiting Period, the first day of the Waiting Period.

ERISA is the Employee Retirement Income Security Act of 1974, as amended.

Essential Health Benefits include, to the extent they are covered under the Plan, ambulatory patient services; emergency services; hospitalization; maternity and newborn care; mental health and substance use disorder services, including behavioral health treatment; prescription drugs; rehabilitative and habilitative services and devices; laboratory services; preventive and wellness services and chronic disease management; and pediatric services, including oral and vision care.

Experimental and/or Investigational means services, supplies, care and treatment which does not constitute accepted medical practice properly within the range of appropriate medical practice under the standards of the case and by the standards of a reasonably substantial, qualified, responsible, relevant segment of the medical community or government oversight agencies at the time services were rendered.

The Plan Administrator must make an independent evaluation of the experimental/nonexperimental standings of specific technologies. The Plan Administrator shall be guided by a reasonable interpretation of Plan provisions. The decisions shall be made in good faith and rendered following a detailed factual background investigation of the claim and the proposed treatment. The decision of the Plan Administrator will be final and binding on the Plan. The Plan Administrator will be guided by the following principles:

- (1) if the drug or device cannot be lawfully marketed without approval of the U.S. Food and Drug Administration and approval for marketing has not been given at the time the drug or device is furnished; or
- (2) if the drug, device, medical treatment or procedure, or the patient informed consent document utilized with the drug, device, treatment or procedure, was reviewed and approved by the treating facility's Institutional Review Board or other body serving a similar function, or if federal law requires such review or approval; or
- (3) if Reliable Evidence shows that the drug, device, medical treatment or procedure is the subject of on-going phase I or phase II clinical trials, is the research, experimental, study or Investigational arm of on-going phase III clinical trials, or is otherwise under study to determine its maximum tolerated dose, its toxicity, its safety, its efficacy or its efficacy as compared with a standard means of treatment or diagnosis; or
- (4) if Reliable Evidence shows that the prevailing opinion among experts regarding the drug, device, medical treatment or procedure is that further studies or clinical trials are necessary to determine its maximum tolerated dose, its toxicity, its safety, its efficacy or its efficacy as compared with a standard means of treatment or diagnosis.

Reliable Evidence shall mean only published reports and articles in the authoritative medical and scientific literature; the written protocol or protocols used by the treating facility or the protocol(s) of another facility studying substantially the same drug, service, medical treatment or procedure; or the written informed consent used by the treating facility or by another facility studying substantially the same drug, device, medical treatment or procedure.

Drugs are considered Experimental if they are not commercially available for purchase and/or they are not approved by the Food and Drug Administration for general use.

Family Unit is the covered Employee and the family members who are covered as Dependents under the Plan.

Formulary means a list of prescription medications of safe, effective therapeutic drugs specifically covered by this Plan.

Foster Child means a child who meets the eligibility requirements shown in the Dependent Eligibility Section of this Plan for whom a covered Employee has assumed a legal obligation in connection with the child's placement with a state, county or private foster care agency.

A covered Foster Child is not a child temporarily living in the covered Employee's home; one placed in the covered Employee's home by a social service agency which retains control of the child; or whose natural parent(s) may exercise or share parental responsibility and control.

Generic drug means a Prescription Drug which has the equivalency of the brand name drug with the same use and metabolic disintegration. This Plan will consider as a Generic drug any Food and Drug Administration approved generic pharmaceutical dispensed according to the professional standards of a licensed pharmacist and clearly designated by the pharmacist as being generic.

Genetic Information means information about the genetic tests of an individual or his family members, and information about the manifestations of disease or disorder in family members of the

individual. A "genetic test" means an analysis of human DNA, RNA, chromosomes, proteins or metabolites, which detects genotypes, mutations or chromosomal changes. It does not mean an analysis of proteins or metabolites that is directly related to a manifested disease, disorder or pathological condition that could reasonably be detected by a health care professional with appropriate training and expertise in the field of medicine involved. Genetic information does not include information about the age or gender of an individual.

Home Health Care Agency is an organization that meets all of these tests: its main function is to provide Home Health Care Services and Supplies; it is federally certified as a Home Health Care Agency; and it is licensed by the state in which it is located, if licensing is required.

Home Health Care Plan must meet these tests: it must be a formal written plan made by the patient's attending Physician which is reviewed at least every 30 days; it must state the diagnosis; it must certify that the Home Health Care is in place of Hospital confinement; and it must specify the type and extent of Home Health Care required for the treatment of the patient.

Home Health Care Services and Supplies include: part-time or intermittent nursing care by or under the supervision of a registered nurse (R.N.); part-time or intermittent home health aide services provided through a Home Health Care Agency (this does not include general housekeeping services); physical, occupational and speech therapy; medical supplies; and laboratory services by or on behalf of the Hospital.

Hospice Agency is an organization where its main function is to provide Hospice Care Services and Supplies and it is licensed by the state in which it is located, if licensing is required.

Hospice Care Plan is a plan of terminal patient care that is established and conducted by a Hospice Agency and supervised by a Physician.

Hospice Care Services and Supplies are those provided through a Hospice Agency and under a Hospice Care Plan and include inpatient care in a Hospice Unit or other licensed facility, home care, and family counseling during the bereavement period.

Hospice Unit is a facility or separate Hospital Unit that provides treatment under a Hospice Care Plan and admits at least two unrelated persons who are expected to die within six months.

Hospital is an institution which is engaged primarily in providing medical care and treatment of sick and injured persons on an inpatient basis at the patient's expense and which fully meets these tests: it is accredited as a Hospital by the Joint Commission on Accreditation of Healthcare Organizations or the American Osteopathic Association Healthcare Facilities Accreditation Program; it is approved by Medicare as a Hospital; it maintains diagnostic and therapeutic facilities on the premises for surgical and medical diagnosis and treatment of sick and injured persons by or under the supervision of a staff of Physicians; it continuously provides on the premises 24-hour-a-day nursing services by or under the supervision of registered nurses (R.N.s); and it is operated continuously with organized facilities for operative surgery on the premises.

The definition of "Hospital" shall be expanded to include the following:

- A facility operating legally as a psychiatric Hospital or residential treatment facility for mental health and licensed as such by the state in which the facility operates.

- A facility operating primarily for the treatment of Substance Abuse if it meets these tests: maintains permanent and full-time facilities for bed care and full-time confinement of at least 15 resident patients; has a Physician in regular attendance; continuously provides 24-hour a day nursing service by a registered nurse (R.N.); has a full-time psychiatrist or psychologist on the staff; and is primarily engaged in providing diagnostic and therapeutic services and facilities for treatment of Substance Abuse.

Illness means a bodily disorder, disease, physical sickness or Mental Disorder. Illness includes Pregnancy, childbirth, miscarriage or complications of Pregnancy.

Infertility means incapable of producing offspring.

Injury means an accidental physical Injury to the body caused by unexpected external means.

Intensive Care Unit is defined as a separate, clearly designated service area which is maintained within a Hospital solely for the care and treatment of patients who are critically ill. This also includes what is referred to as a "coronary care unit" or an "acute care unit." It has: facilities for special nursing care not available in regular rooms and wards of the Hospital; special life saving equipment which is immediately available at all times; at least two beds for the accommodation of the critically ill; and at least one registered nurse (R.N.) in continuous and constant attendance 24 hours a day.

Late Enrollee means a Plan Participant who enrolls under the Plan other than during the first 31-day period in which the individual is eligible to enroll under the Plan or during a Special Enrollment Period.

Medical Care Facility means a Hospital, a facility that treats one or more specific ailments or any type of Skilled Nursing Facility.

Medical Emergency means a medical condition manifesting itself by acute symptoms of sufficient severity including severe pain such that a prudent layperson with average knowledge of health and medicine could reasonably expect the absence of immediate medical attention to result in (1) serious jeopardy to the health of an individual (or, in the case of a pregnant woman, the health of the woman or her unborn child), (2) serious impairment to body functions, or (3) serious dysfunction of any body organ or part. A Medical Emergency includes such conditions as heart attacks, cardiovascular accidents, poisonings, loss of consciousness or respiration, convulsions or other such acute medical conditions.

Medical Non-Emergency Care means care which can safely and adequately be provided other than in a Hospital.

Medically Necessary care and treatment is recommended or approved by a Physician; is consistent with the patient's condition or accepted standards of good medical practice; is medically proven to be effective treatment of the condition; is not performed mainly for the convenience of the patient or provider of medical services; is not conducted for research purposes; and is the most appropriate level of services which can be safely provided to the patient.

All of these criteria must be met; merely because a Physician recommends or approves certain care does not mean that it is Medically Necessary.

The Plan Administrator has the discretionary authority to decide whether care or treatment is Medically Necessary.

Medicare is the Health Insurance For The Aged and Disabled program under Title XVIII of the Social Security Act, as amended.

Mental Disorder means any disease or condition, regardless of whether the cause is organic, that is classified as a Mental Disorder in the current edition of International Classification of Diseases, published by the U.S. Department of Health and Human Services or is listed in the current edition of Diagnostic and Statistical Manual of Mental Disorders, published by the American Psychiatric Association.

Morbid Obesity is a diagnosed condition in which the body weight exceeds the medically recommended weight. Please refer to the Covered Expenses for a complete guideline of coverage.

No-Fault Auto Insurance is the basic reparations provision of a law providing for payments without determining fault in connection with automobile accidents.

Outpatient Care and/or Services is treatment including services, supplies and medicines provided and used at a Hospital under the direction of a Physician to a person not admitted as a registered bed patient; or services rendered in a Physician's office, laboratory or X-ray facility, an Outpatient Surgical Center, or the patient's home.

Pharmacy means a licensed establishment where covered Prescription Drugs are filled and dispensed by a pharmacist licensed under the laws of the state where he or she practices.

Physician means a Doctor of Medicine (M.D.), Doctor of Osteopathy (D.O.), Doctor of Podiatry (D.P.M.), Doctor of Chiropractic (D.C.), Audiologist, Certified Nurse Anesthetist, Licensed Professional Counselor, Licensed Professional Physical Therapist, Master of Social Work (M.S.W.), Midwife, Occupational Therapist, Physiotherapist, Psychiatrist, Psychologist (Ph.D.), Speech Language Pathologist and any other practitioner of the healing arts who is licensed and regulated by a state or federal agency and is acting within the scope of his or her license.

Plan means HMS Enterprises, Inc. Group Health Benefit Plan, which is a benefits plan for certain Employees of HMS Enterprises, Inc. and is described in this document.

Plan Participant is any Employee or Dependent who is covered under this Plan.

Plan Year is the 12-month period beginning on either the effective date of the Plan or on the day following the end of the first Plan Year which is a short Plan Year.

Pregnancy is childbirth and conditions associated with Pregnancy, including complications.

Prescription Drug means any of the following: a Food and Drug Administration-approved drug or medicine which, under federal law, is required to bear the legend: "Caution: federal law prohibits dispensing without prescription"; injectable insulin; hypodermic needles or syringes, but only when dispensed upon a written prescription of a licensed Physician. Such drug must be Medically Necessary in the treatment of a Sickness or Injury.

Retired Employee is a former Active Employee of the Employer who was retired while employed by the Employer under the formal written plan of the Employer and elects to contribute to the Plan the contribution required from the Retired Employee.

Sickness is a Covered Person's Illness, disease or Pregnancy (including complications).

Skilled Nursing Facility is a facility that fully meets all of these tests:

- (1) It is licensed to provide professional nursing services on an inpatient basis to persons convalescing from Injury or Sickness. The service must be rendered by a registered nurse (R.N.) or by a licensed practical nurse (L.P.N.) under the direction of a registered nurse. Services to help restore patients to self-care in essential daily living activities must be provided.
- (2) Its services are provided for compensation and under the full-time supervision of a Physician.
- (3) It provides 24 hour per day nursing services by licensed nurses, under the direction of a full-time registered nurse.
- (4) It maintains a complete medical record on each patient.
- (5) It has an effective utilization review plan.
- (6) It is not, other than incidentally, a place for rest, the aged, drug addicts, alcoholics, mentally disabled, Custodial or educational care or care of Mental Disorders.
- (7) It is approved and licensed by Medicare.

This term also applies to charges incurred in a facility referring to itself as an extended care facility, convalescent nursing home, rehabilitation hospital, long-term acute care facility or any other similar nomenclature.

Spinal Manipulation/Chiropractic Care means skeletal adjustments, manipulation or other treatment in connection with the detection and correction by manual or mechanical means of structural imbalance or subluxation in the human body. Such treatment is done by a Physician to remove nerve interference resulting from, or related to, distortion, misalignment or subluxation of, or in, the vertebral column.

Substance Abuse is regular excessive compulsive drinking of alcohol and/or physical habitual dependence on drugs. This does not include dependence on tobacco and ordinary caffeine-containing drinks.

Temporomandibular Joint (TMJ) syndrome is the treatment of jaw joint disorders including conditions of structures linking the jaw bone and skull and the complex of muscles, nerves and other tissues related to the temporomandibular joint.

Total Disability (Totally Disabled) means: In the case of a Dependent, the complete inability as a result of Injury or Sickness to perform the normal activities of a person of like age and sex in good health.

Usual and Reasonable Charge is a charge which is not higher than the usual charge made by the provider of the care or supply and does not exceed the usual charge made by most providers of like service in the same area. This test will consider the nature and severity of the condition being treated. It will also consider medical complications or unusual circumstances that require more time, skill or experience. For Network Provider charges, the Usual and Reasonable Charge will be the contracted rate.

The Plan will pay benefits on the basis of the actual charge billed if it is less than the Usual and Reasonable Charge.

The Plan Administrator has the discretionary authority to decide whether a charge is Usual and Reasonable.

HOW TO SUBMIT A CLAIM

Benefits under this Plan shall be paid only if the Plan Administrator decides in its discretion that a Covered Person is entitled to them.

When a Covered Person has a Claim to submit for payment that person must:

- (1) Obtain a Claim form from the Personnel Office, Human Resources Office or the Plan Administrator.
- (2) Complete the Employee portion of the form. ALL QUESTIONS MUST BE ANSWERED.
- (3) Have the Physician complete the provider's portion of the form.
- (4) For Plan reimbursements, attach bills for services rendered. ALL BILLS MUST SHOW:
 - Name of Plan
 - Employee's name
 - Name of patient
 - Name, address, telephone number of the provider of care
 - Diagnosis
 - Type of services rendered, with diagnosis and/or procedure codes
 - Date of services
 - Charges
- (5) Your ID card indicates the address for claim filing or call IPMG at (800) 423-1841.

WHEN CLAIMS SHOULD BE FILED

Claims should be filed with the Claims Administrator within 120 days of the date charges for the service were incurred. Benefits are based on the Plan's provisions at the time the charges were incurred. Claims filed later than that date may be declined or reduced unless:

- (a) it's not reasonably possible to submit the claim in that time; and
- (b) the claim is submitted within 15 months from the date incurred. This 15 month period will not apply when the person is not legally capable of submitting the claim.

The Claims Administrator will determine if enough information has been submitted to enable proper consideration of the claim. If not, more information may be requested from the claimant. The Plan reserves the right to have a Plan Participant seek a second medical opinion.

PROCESSING CLAIMS AND APPEALS

CLAIMS PROCEDURE

Following is a description of how the Plan processes claims for benefits and reviews the appeal of any claim that is denied. The terms used in this section are defined below.

A "Claim" is defined as any request for a Plan benefit, made by a claimant or by a representative of a claimant, which complies with the Plan's reasonable procedure for filing claims and making benefit claims determinations.

A "Claim" does not include a request for a determination of an individual's eligibility to participate in the Plan.

If a Claim is denied, in whole or in part, or if Plan coverage is rescinded retroactively for fraud or misrepresentation, the denial is known as an "Adverse Benefit Determination."

A claimant has the right to request a review of an Adverse Benefit Determination. This request is an "Appeal." If the Claim is denied at the end of the Appeal process, as described below, the Plan's final decision is known as a "Final Adverse Benefit Determination." If the claimant receives notice of a Final Adverse Benefit Determination, or if the Plan does not follow the Appeal procedures properly, the claimant then has the right to request an independent external review. The External Review procedures are described below.

Both the Claims and the Appeal procedures are intended to provide a full and fair review. This means, among other things, that Claims and Appeals will be decided in a manner designed to ensure the independence and impartiality of the persons involved in making these decisions.

A claimant must follow all Claims and Appeal procedures both internal and external, before he or she can file a lawsuit. However, this rule may not apply if the Plan Administrator has not complied with the procedures described in this Section. If a lawsuit is brought, it must be filed within two years after the final determination of an Appeal.

Any of the authority and responsibilities of the Plan Administrator under the Claims and Appeal Procedures or the External Review Process, including the discretionary authority to interpret the terms of the Plan, may be delegated to a third party. If you have any questions regarding these procedures, please contact the Plan Administrator.

There are different kinds of Claims and each one has a specific timetable for each step in the review process. Upon receipt of the Claim, the Plan Administrator must decide whether to approve or deny the Claim. The Plan Administrator's notification to the claimant of its decision must be made as soon as practical and not later than the time shown in the timetable. However, if the Claim has not been filed properly, or if it is incomplete, or if there are other matters beyond the control of the Plan Administrator, the claimant may be notified that the period for providing the notification will need to be extended. If the period is extended because the Plan Administrator needs more information from the claimant, the claimant must provide the requested information within the time shown on the timetable. Once the Claim is complete, the Plan Administrator must make its decision as shown in the timetable. If the Claim is denied, in whole or in part, the claimant has the right to file an Appeal. Then the Plan Administrator must decide the Appeal and, if the Appeal is denied, provide notice to the claimant within the time periods shown on the timetable. The time periods shown in the timetable begin at the time the Claim or Appeal is filed in accordance with the Plan's procedures. Decisions will be made within a reasonable period of time appropriate to the circumstances, but within the maximum time periods listed in the timetables below. Unless otherwise noted, "days" means calendar days.

The definitions of the types of Claims are:

Urgent Care Claim

A Claim involving Urgent Care is any Claim for medical care or treatment where the Plan conditions receipt of benefits, in whole or in part, on approval in advance of obtaining the care or treatment, and using the timetable for a non-urgent care determination could seriously jeopardize the life or health of the claimant; or the ability of the claimant to regain maximum function; or in the opinion of the attending or consulting Physician, would subject the claimant to severe pain that could not be adequately managed without the care or treatment that is the subject of the Claim.

A Physician with knowledge of the claimant's medical condition may determine if a Claim is one involving Urgent Care. The Claims Administrator will defer to the attending provider's determination that the Claim involves Urgent Care. If there is no such Physician, an individual acting on behalf of the Plan applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine may make the determination.

In the case of a Claim involving Urgent Care, responses must be made as soon as possible consistent with the medical urgency involved, and no later than the following times:

Notification to claimant of Claim determination	72 hours
---	----------

Insufficient information on the Claim, or failure to follow the Plan's procedure for filing a Claim:

Notification to claimant, orally or in writing	24 hours
--	----------

Response by claimant, orally or in writing	48 hours
--	----------

Benefit determination, orally or in writing	48 hours
---	----------

Notification of Adverse Benefit Determination on Appeal	72 hours
---	----------

If there is an Adverse Benefit Determination on a Claim involving Urgent Care, a request for an expedited Appeal may be submitted orally or in writing by the claimant. All necessary information, including the Plan's benefit determination on review, may be transmitted between the Plan and the claimant by telephone, facsimile, or other similarly expeditious method. Alternatively, the claimant may request an expedited review under the External Review Process.

Concurrent Care Claims

A Concurrent Care Claim is a special type of Claim that arises if the Plan informs a claimant that benefits for a course of treatment that has been previously approved for a period of time or number of treatments is to be reduced or eliminated. In that case, the Plan must notify the claimant sufficiently in advance of the effective date of the reduction or elimination of treatment to allow the claimant to file an Appeal. This rule does not apply if benefits are reduced or eliminated due to Plan amendment or termination. A similar process applies for Claims based on a rescission of coverage for fraud or misrepresentation.

In the case of a Concurrent Care Claim, the following timetable applies:

Notification to claimant of benefit reduction	Sufficiently prior to scheduled termination of course of treatment to allow claimant to appeal
Notification to claimant of rescission	30 days
Notification of determination on Appeal of Urgent Care Claims	24 hours (provided claimant files Appeal more than 24 hours prior to scheduled termination of course of treatment)
Notification of Adverse Benefit Determination on Appeal for non-Urgent Claims	As soon as feasible, but not more than 30 days
Notification of Adverse Benefit Determination on Appeal for Rescission Claims	30 days

Pre-Service Claim

A Pre-Service Claim means any Claim for a benefit under this Plan where the Plan conditions receipt of the benefit, in whole or in part, on approval in advance of obtaining medical care. These are, for example, Claims subject to pre-certification. Please see the Cost Management section of this booklet for further information about Pre-Service Claims.

In the case of a Pre-Service Claim, the following timetable applies:

Notification to claimant of Adverse Benefit Determination	15 days
Extension due to matters beyond the control of the Plan	15 days

Insufficient information on the Claim:

Notification of	15 days
Response by claimant	45 days
Notification, orally or in writing, of failure to follow the Plan's procedures for filing a Claim	5 days
Notification of Adverse Benefit Determination on Appeal	15 days per benefit appeal

Post-Service Claim

A Post-Service Claim means any Claim for a Plan benefit that is not a Claim involving Urgent Care or a Pre-Service Claim; in other words, a Claim that is a request for payment under the Plan for medical services already received by the claimant.

In the case of a Post-Service Claim, the following timetable applies:

Notification to claimant of Adverse Benefit Determination	30 days
Extension due to matters beyond the control of the Plan	15 days
Extension due to insufficient information on the Claim	15 days
Response by claimant following notice of insufficient information	45 days
Notification of Adverse Benefit Determination on Appeal	30 days per benefit appeal

Notice to claimant of Adverse Benefit Determinations

If a Claim is denied in whole or in part, the denial is considered to be an Adverse Benefit Determination. Except with Urgent Care Claims, when the notification may be oral followed by written or electronic notification within three days of the oral notification, the Plan Administrator shall provide written or electronic notification of the Adverse Benefit Determination. The notice will state in a culturally and linguistically appropriate manner and in a manner calculated to be understood by the claimant:

- (1) Information sufficient to allow the claimant to identify the Claim involved (including date of service, the healthcare provider, and the claim amount, if applicable), and a statement that the diagnosis code and treatment code and their corresponding meanings will be provided to the claimant as soon as feasible upon request.
- (2) The specific reason or reasons for the adverse determination, including the denial code and its corresponding meaning, and a description of the Plan's standard, if any, that was used in denying the Claim.

- (3) Reference to the specific Plan provisions on which the determination was based.
- (4) A description of any additional material or information necessary for the claimant to perfect the Claim and an explanation of why such material or information is necessary.
- (5) A description of the Plan's internal and external Appeal procedures, incorporating any voluntary appeal procedures offered by the Plan. This description will include information on how to initiate the Appeal and the time limits applicable to such procedures. This will include a statement of the claimant's right to bring a civil action under section 502 of ERISA following a Final Adverse Benefit Determination.
- (6) If the Adverse Benefit Determination was based on an internal rule, guideline, protocol, or other similar criterion, the specific rule, guideline, protocol, or criterion will be provided free of charge. If this is not practical, a statement will be included that such a rule, guideline, protocol, or criterion was relied upon in making the Adverse Benefit Determination and a copy will be provided free of charge to the claimant upon request.
- (7) If the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the claimant's medical circumstances, will be provided. If this is not practical, a statement will be included that such explanation will be provided free of charge, upon request.
- (8) Information about the availability of and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under applicable federal law to assist individuals with the internal claims and appeals and external review process.

Appeals

When a claimant receives notification of an Adverse Benefit Determination, the claimant generally has 180 days following receipt of the notification in which to file a written request for an Appeal of the decision. However, for Concurrent Care Claims, the Claimant must file the Appeal prior to the scheduled reduction or termination of treatment. For a claim based on rescission of coverage, the claimant must file the Appeal within 30 days. A claimant may submit written comments, documents, records, and other information relating to the Claim.

If the claimant so requests, he or she will be provided, free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Claim. The Plan Administrator shall provide the claimant, as soon as possible and sufficiently in advance of the time within which a final determination on Appeal is required to allow the claimant time to respond, any new or additional evidence that is relied upon, considered or generated by or at the direction of the Plan. This evidence shall be provided free of charge.

A document, record, or other information shall be considered relevant to a Claim if it:

- (1) was relied upon in making the benefit determination;
- (2) was submitted, considered, or generated in the course of making the benefit determination, without regard to whether it was relied upon in making the benefit determination;

- (3) demonstrated compliance with the administrative processes and safeguards designed to ensure and to verify that benefit determinations are made in accordance with Plan documents and Plan provisions have been applied consistently with respect to all claimants; or
- (4) constituted a statement of policy or guidance with respect to the Plan concerning the denied treatment option or benefit.

The period of time within which a benefit determination on Appeal is required to be made shall begin at the time an Appeal is filed in writing in accordance with the procedures of the Plan. This timing is without regard to whether all the necessary information accompanies the filing.

Before the Plan Administrator issues its Final Adverse Benefit Determination based on a new or additional rationale, the claimant must be provided, free of charge, with a copy of the rationale. The rationale must be provided as soon as possible and sufficiently in advance of the time within which a final determination on Appeal is required to allow the claimant time to respond.

The review shall take into account all comments, documents, records, and other information submitted by the claimant relating to the Claim, without regard to whether such information was submitted or considered in the initial benefit determination. The review will not afford deference to the initial Adverse Benefit Determination and will be conducted by a fiduciary of the Plan who is neither the individual who made the adverse determination nor a subordinate of that individual.

If the determination was based on a medical judgment, including determinations with regard to whether a particular treatment, drug, or other item is Experimental, Investigational, or not Medically Necessary or appropriate, the fiduciary shall consult with a health care professional who was not involved in the original benefit determination. This health care professional will have appropriate training and experience in the field of medicine involved in the medical judgment. Additionally, medical or vocational experts whose advice was obtained on behalf of the Plan in connection with the initial determination will be identified.

If the Appeal of a Claim is denied, in whole or in part, the Plan Administrator shall provide written notification of the Adverse Benefit Determination on Appeal. The notice will state, in a culturally and linguistically appropriate manner and in a manner calculated to be understood by the claimant:

- (1) Information sufficient to allow the claimant to identify the Claim involved (including date of service, the healthcare provider, and the claim amount, if applicable), and a statement that the diagnosis code and treatment code and their corresponding meanings will be provided to the claimant as soon as feasible upon request.
- (2) The specific reason or reasons for the adverse determination, including the denial code and its corresponding meaning, and a description of the Plan's standard, if any, that was used in denying the Claim.
- (3) Reference to the specific Plan provisions on which the determination was based.
- (4) A description of any additional material or information necessary for the claimant to perfect the Claim and an explanation of why such material or information is necessary.

- (5) A description of the Plan's internal and external review procedures, incorporating any voluntary appeal procedures offered by the Plan and the time limits applicable to such procedures. This will include a statement of the claimant's right to bring a civil action under section 502 of ERISA following an Adverse Benefit Determination on review.
- (6) A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Claim. "You and your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U. S. Department of Labor Office."
- (7) If the Adverse Benefit Determination was based on an internal rule, guideline, protocol, or other similar criterion, the specific rule, guideline, protocol, or criterion will be provided free of charge. If this is not practical, a statement will be included that such a rule, guideline, protocol, or criterion was relied upon in making the Adverse Benefit Determination and a copy will be provided free of charge to the claimant upon request.
- (8) If the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the claimant's medical circumstances, will be provided. If this is not practical, a statement will be included that such explanation will be provided free of charge, upon request.
- (9) Information about the availability of and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under applicable federal law to assist individuals with the internal claims and appeals and external review process.

Voluntary appeals

In addition to the Claims and Appeals Procedures described above, the Plan permits voluntary dispute resolution procedures. If a claimant agrees in writing to use these procedures, any statute of limitations or other defense based on timeliness is tolled during the time any voluntary appeal is pending.

The Plan will not assert that a claimant has failed to exhaust administrative remedies merely because he or she did not elect to submit a benefit dispute to the voluntary appeal provided by the Plan. A claimant may elect a voluntary appeal after receipt of a Final Adverse Benefit Determination.

The Plan will provide to the claimant, at no cost and upon request, sufficient information about the voluntary appeal to enable the claimant to make an informed judgment about whether to submit a benefit dispute to the voluntary level of appeal. This information will include a statement that the decision will have no effect on the claimant's rights to any other benefits under the Plan; will list the rules of the appeal; state the claimant's right to representation; enumerate the process for selecting the decision maker; and give circumstances, if any, that may affect the impartiality of the decision maker.

No fees or costs will be imposed on the claimant as part of the voluntary level of appeal, and the claimant will be told this.

EXTERNAL REVIEW PROCESS

If a claimant receives a Final Adverse Benefit Determination under the Plan's internal Claims and Appeals Procedures, he or she may request that the Claim be reviewed under the Plan's External Review process. For requests made on or after September 20, 2011, the External Review process is available only where the Final Adverse Benefit Determination is denied on the basis of (1) a medical judgment (which includes but is not limited to, Plan requirements for medical necessity, appropriateness, health care setting, level of care, or effectiveness of a covered benefit), (2) a determination that a treatment is experimental or investigational, or (3) a rescission of coverage. The request for External Review must be filed in writing within 4 months after receipt of the Final Adverse Benefit Determination.

The Plan Administrator will determine whether the Claim is eligible for review under the External Review process. This determination is based on the criteria described above and whether:

- (1) The claimant is or was covered under the Plan at the time the Claim was made or incurred;
- (2) The denial relates to the claimant's failure to meet the Plan's eligibility requirements;
- (3) The claimant has exhausted the Plan's internal Claims and Appeal Procedures; and
- (4) The claimant has provided all the information required to process an External Review.

Within one business day after completion of this preliminary review, the Plan Administrator will provide written notification to the claimant of whether the claim is eligible for External Review.

If the request for review is complete but not eligible for External Review, the Plan Administrator will notify the claimant of the reasons for its ineligibility. The notice will include contact information for the Employee Benefits Security Administration at its toll free number (866-444-3272).

If the request is not complete, the notice will describe the information needed to complete it. The claimant will have 48 hours or until the last day of the 4 month filing period, whichever is later, to submit the additional information.

If the request is eligible for the External Review process, the Plan will assign it to a qualified independent review organization ("IRO"). The IRO is responsible for notifying the claimant, in writing, that the request for External Review has been accepted. The notice should include a statement that the claimant may submit in writing, within 10 business days, additional information the IRO must consider when conducting the review. The IRO will share this information with the Plan. The Plan may consider this information and decide to reverse its denial of the Claim. If the denial is reversed, the External Review process will end.

If the Plan does not reverse the denial, the IRO will make its decision on the basis of its review of all of the information in the record, as well as additional information where appropriate and available, such as:

- (1) The claimant's medical records;
- (2) The attending health care professional's recommendation;

- (3) Reports from appropriate health care professionals and other documents submitted by the plan or issuer, claimant, or the claimant's treating provider;
- (4) The terms of the Plan;
- (5) Appropriate practice guidelines;
- (6) Any applicable clinical review criteria developed and used by the Plan; and
- (7) The opinion of the IRO's clinical reviewer.

The IRO must provide written notice to the Plan and the claimant of its final decision within 45 days after the IRO receives the request for the External Review. The IRO's decision notice must contain:

- (1) A general description of the reason for the External Review, including information sufficient to identify the claim;
- (2) The date the IRO received the assignment to conduct the review and the date of the IRO's decision;
- (3) References to the evidence or documentation the IRO considered in reaching its decision;
- (4) A discussion of the principal reason(s) for the IRO's decision;
- (5) A statement that the determination is binding and that judicial review may be available to the claimant; and
- (6) Contact information for any applicable office of health insurance consumer assistance or ombudsman established under the PPACA.

Generally, a claimant must exhaust the Plan's Claims and Procedures in order to be eligible for the External Review process. However, in some cases the Plan provides for an expedited External Review if:

- (1) The claimant receives an Adverse Benefit Determination that involves a medical condition for which the time for completion of the Plan's internal Claims and Appeal Procedures would seriously jeopardize the claimant's life or health or ability to regain maximum function and the claimant has filed a request for an expedited internal review; or
- (2) The claimant receives a Final Adverse Benefit Determination that involves a medical condition where the time for completion of a standard External Review process would seriously jeopardize the claimant's life or health or the claimant's ability to regain maximum function, or if the Final Adverse Benefit Determination concerns an admission, availability of care, continued stay, or health care item or service for which the claimant received emergency services, but has not been discharged from a facility.

Immediately upon receipt of a request for expedited External Review, the Plan must determine and notify the claimant whether the request satisfies the requirements for expedited review, including the eligibility requirements for External Review listed above. If the request qualifies for expedited review, it will be assigned to an IRO. The IRO must make its determination and provide a notice of the

decision as expeditiously as the claimant's medical condition or circumstances require, but in no event more than 72 hours after the IRO receives the request for an expedited External Review. If the original notice of its decision is not in writing, the IRO must provide written confirmation of the decision within 48 hours to both the claimant and the Plan.

COORDINATION OF BENEFITS

Coordination of the benefit plans. Coordination of benefits sets out rules for the order of payment of Covered Charges when two or more plans -- including Medicare -- are paying. When a Covered Person is covered by this Plan and another plan, or the Covered Person's Spouse is covered by this Plan and by another plan or the couple's Covered children are covered under two or more plans, the plans will coordinate benefits when a claim is received.

The plan that pays first according to the rules will pay as if there were no other plan involved. The secondary and subsequent plans will pay the balance due up to 100% of the total Allowable Charges.

Benefit plan. This provision will coordinate the medical benefits of a benefit plan. The term benefit plan means this Plan or any one of the following plans:

- (1) Group or group-type plans, including franchise or blanket benefit plans.
- (2) Blue Cross and Blue Shield group plans.
- (3) Group practice and other group prepayment plans.
- (4) Federal government plans or programs. This includes, but is not limited to, Medicare and Tricare.
- (5) Other plans required or provided by law. This does not include Medicaid or any benefit plan like it that, by its terms, does not allow coordination.
- (6) No Fault Auto Insurance, by whatever name it is called, when not prohibited by law.

Allowable Charge. For a charge to be allowable it must be a Usual and Reasonable Charge and at least part of it must be covered under this Plan.

In the case of HMO (Health Maintenance Organization) or other in-network only plans: This Plan will not consider any charges in excess of what an HMO or network provider has agreed to accept as payment in full. Also, when an HMO or network plan is primary and the Covered Person does not use an HMO or network provider, this Plan will not consider as an Allowable Charge any charge that would have been covered by the HMO or network plan had the Covered Person used the services of an HMO or network provider.

In the case of service type plans where services are provided as benefits, the reasonable cash value of each service will be the Allowable Charge.

Automobile limitations. When medical payments are available under vehicle insurance, the Plan shall always be considered the secondary carrier regardless of the individual's election under PIP (personal injury protection) coverage with the auto carrier.

Benefit plan payment order. When two or more plans provide benefits for the same Allowable Charge, benefit payment will follow these rules:

- (1) Plans that do not have a coordination provision, or one like it, will pay first. Plans with such a provision will be considered after those without one.

- (2) Plans with a coordination provision will pay their benefits up to the Allowable Charge:
- (a) The benefits of the plan which covers the person directly (that is, as an employee, member or subscriber) ("Plan A") are determined before those of the plan which covers the person as a dependent ("Plan B").
 - (b) The benefits of a benefit plan which covers a person as an Employee who is neither laid off nor retired are determined before those of a benefit plan which covers that person as a laid-off or Retired Employee. The benefits of a benefit plan which covers a person as a Dependent of an Employee who is neither laid off nor retired are determined before those of a benefit plan which covers a person as a Dependent of a laid off or Retired Employee. If the other benefit plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule does not apply.
 - (c) The benefits of a benefit plan which covers a person as an Employee who is neither laid off nor retired or a Dependent of an Employee who is neither laid off nor retired are determined before those of a plan which covers the person as a COBRA beneficiary.
 - (d) When a child is covered as a Dependent and the parents are not separated or divorced, these rules will apply:
 - (i) The benefits of the benefit plan of the parent whose birthday falls earlier in a year are determined before those of the benefit plan of the parent whose birthday falls later in that year;
 - (ii) If both parents have the same birthday, the benefits of the benefit plan which has covered the parent for the longer time are determined before those of the benefit plan which covers the other parent.
 - (e) When a child's parents are divorced or legally separated, these rules will apply:
 - (i) This rule applies when the parent with custody of the child has not remarried. The benefit plan of the parent with custody will be considered before the benefit plan of the parent without custody.
 - (ii) This rule applies when the parent with custody of the child has remarried. The benefit plan of the parent with custody will be considered first. The benefit plan of the stepparent that covers the child as a Dependent will be considered next. The benefit plan of the parent without custody will be considered last.
 - (iii) This rule will be in place of items (i) and (ii) above when it applies. A court decree may state which parent is financially responsible for medical and dental benefits of the child. In this case, the benefit plan of that parent will be considered before other plans that cover the child as a Dependent.

- (iv) If the specific terms of the court decree state that the parents shall share joint custody, without stating that one of the parents is responsible for the health care expenses of the child, the plans covering the child shall follow the order of benefit determination rules outlined above when a child is covered as a Dependent and the parents are not separated or divorced.
- (v) For parents who were never married to each other, the rules apply as set out above as long as paternity has been established.
- (f) If there is still a conflict after these rules have been applied, the benefit plan which has covered the patient for the longer time will be considered first. When there is a conflict in coordination of benefit rules, the Plan will never pay more than 50% of Allowable Charges when paying secondary.
- (3) Medicare will pay primary, secondary or last to the extent stated in federal law. When Medicare would be the primary payer if the person had enrolled in Medicare, this Plan will base its payment upon benefits that would have been paid by Medicare under Parts A and B regardless of whether or not the person was enrolled under any of these parts. The Plan reserves the right to coordinate benefits with respect to Medicare Part D. The Plan Administrator will make this determination based on the information available through CMS. If CMS does not provide sufficient information to determine the amount Medicare would pay, the Plan Administrator will make reasonable assumptions based on published Medicare fee schedules.
- (4) If a Plan Participant is under a disability extension from a previous benefit plan, that benefit plan will pay first and this Plan will pay second.
- (5) The Plan will pay primary to Tricare and a State child health plan to the extent required by federal law.

Claims determination period. Benefits will be coordinated on a Calendar Year basis. This is called the claims determination period.

Right to receive or release necessary information. To make this provision work, this Plan may give or obtain needed information from another insurer or any other organization or person. This information may be given or obtained without the consent of or notice to any other person. A Covered Person will give this Plan the information it asks for about other plans and their payment of Allowable Charges.

Facility of payment. This Plan may repay other plans for benefits paid that the Plan Administrator determines it should have paid. That repayment will count as a valid payment under this Plan.

Right of recovery. This Plan may pay benefits that should be paid by another benefit plan. In this case this Plan may recover the amount paid from the other benefit plan or the Covered Person. That repayment will count as a valid payment under the other benefit plan.

Further, this Plan may pay benefits that are later found to be greater than the Allowable Charge. In this case, this Plan may recover the amount of the overpayment from the source to which it was paid.

Exception to Medicaid. In accordance with ERISA, the Plan shall not take into consideration the fact

that an individual is eligible for or is provided medical assistance through Medicaid when enrolling an individual in the Plan or making a determination about the payments for benefits received by a Covered Person under the Plan.

THIRD PARTY RECOVERY PROVISION

RIGHT OF SUBROGATION AND REFUND

When this provision applies. The Covered Person may incur medical or dental charges due to Injuries which may be caused by the act or omission of a Third Party or a Third Party may be responsible for payment. In such circumstances, the Covered Person may have a claim against that Third Party, or insurer, for payment of the medical or dental charges. Accepting benefits under this Plan for those incurred medical or dental expenses automatically assigns to the Plan any rights the Covered Person may have to Recover payments from any Third Party or insurer. This Subrogation right allows the Plan to pursue any claim which the Covered Person has against any Third Party, or insurer, whether or not the Covered Person chooses to pursue that claim. The Plan may make a claim directly against the Third Party or insurer, but in any event, the Plan has a lien on any amount Recovered by the Covered Person whether or not designated as payment for medical expenses. This lien shall remain in effect until the Plan is repaid in full.

The payment for benefits received by a Covered Person under the Plan shall be made in accordance with the assignment of rights by or on behalf of the Covered Person as required by Medicaid.

In any case in which the Plan has a legal liability to make payments for benefits received by a Covered Person, to the extent that payment has been made through Medicaid, the payment for benefits under the Plan shall be made in accordance with any state law that has provided that the state has acquired the rights of the Covered Person to the payments of those benefits.

The Covered Person:

- (1) automatically assigns to the Plan his or her rights against any Third Party or insurer when this provision applies; and
- (2) must repay to the Plan the benefits paid on his or her behalf out of the Recovery made from the Third Party or insurer.

Amount subject to Subrogation or Refund. The Covered Person agrees to recognize the Plan's right to Subrogation and reimbursement. These rights provide the Plan with a 100%, first dollar priority over any and all Recoveries and funds paid by a Third Party to a Covered Person relative to the Injury or Sickness, including a priority over any claim for non-medical or dental charges, attorney fees, or other costs and expenses. Accepting benefits under this Plan for those incurred medical or dental expenses automatically assigns to the Plan any and all rights the Covered Person may have to recover payments from any responsible third party. Further, accepting benefits under this Plan for those incurred medical or dental expenses automatically assigns to the Plan the Covered Person's Third Party Claims.

Notwithstanding its priority to funds, the Plan's Subrogation and Refund rights, as well as the rights assigned to it, are limited to the extent to which the Plan has made, or will make, payments for medical or dental charges as well as any costs and fees associated with the enforcement of its rights under the Plan. The Plan reserves the right to be reimbursed for its court costs and attorneys' fees if the Plan needs to file suit in order to Recover payment for medical or dental expenses from the Covered Person. Also, the Plan's right to Subrogation still applies if the Recovery received by the Covered Person is less than the claimed damage, and, as a result, the claimant is not made whole.

When a right of Recovery exists, the Covered Person will execute and deliver all required instruments and papers as well as doing whatever else is needed to secure the Plan's right of Subrogation as a condition to having the Plan make payments. In addition, the Covered Person will do nothing to prejudice the right of the Plan to Subrogate.

Conditions Precedent to Coverage. The Plan shall have no obligation whatsoever to pay medical or dental benefits to a Covered Person if a Covered Person refuses to cooperate with the Plan's reimbursement and Subrogation rights or refuses to execute and deliver such papers as the Plan may require in furtherance of its reimbursement and Subrogation rights. Further, in the event the Covered Person is a minor, the Plan shall have no obligation to pay any medical or dental benefits incurred on account of Injury or Sickness caused by a responsible Third Party until after the Covered Person or his authorized legal representative obtains valid court recognition and approval of the Plan's 100%, first dollar reimbursement and Subrogation rights on all Recoveries, as well as approval for the execution of any papers necessary for the enforcement thereof, as described herein.

Defined terms: "Covered Person" means anyone covered under the Plan, including minor dependents.

"Recover," "Recovered," "Recovery" or "Recoveries" means all monies paid to the Covered Person by way of judgment, settlement, or otherwise to compensate for all losses caused by the Injury or Sickness, whether or not said losses reflect medical or dental charges covered by the Plan.

"Recoveries" further includes, but is not limited to, recoveries for medical or dental expenses, attorneys' fees, costs and expenses, pain and suffering, loss of consortium, wrongful death, lost wages and any other recovery of any form of damages or compensation whatsoever.

"Refund" means repayment to the Plan for medical or dental benefits that it has paid toward care and treatment of the Injury or Sickness.

"Subrogation" means the Plan's right to pursue and place a lien upon the Covered Person's claims for medical or dental charges against the other person.

"Third Party" means any Third Party including another person or a business entity.

Recovery from another plan under which the Covered Person is covered. This right of Refund also applies when a Covered Person Recovers under an uninsured or underinsured motorist plan (which will be treated as Third Party coverage when reimbursement or Subrogation is in order), homeowner's plan, renter's plan, medical malpractice plan or any liability plan.

Rights of Plan Administrator. The Plan Administrator has a right to request reports on and approve of all settlements.

CONTINUATION COVERAGE RIGHTS UNDER COBRA

Under federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), certain Employees and their families covered under HMS Enterprises, Inc. Group Health Benefit Plan (the Plan) will be entitled to the opportunity to elect a temporary extension of health coverage (called "COBRA continuation coverage") where coverage under the Plan would otherwise end. This notice is intended to inform Plan Participants and beneficiaries, in summary fashion, of their rights and obligations under the continuation coverage provisions of COBRA, as amended and reflected in final and proposed regulations published by the Department of the Treasury. This notice is intended to reflect the law and does not grant or take away any rights under the law.

The Plan Administrator is HMS Enterprises, Inc. 207 N. Weichert St., Girard, KS, 300261, (620) 395-2151. COBRA continuation coverage for the Plan is administered by IPMG Employee Benefits Services, 225 Smith Rd., St. Charles, Illinois 60174, (800) 423-1841. Complete instructions on COBRA, as well as election forms and other information, will be provided by the Plan Administrator or its designee to Plan Participants who become Qualified Beneficiaries under COBRA.

What is COBRA continuation coverage? COBRA continuation coverage is the temporary extension of group health plan coverage that must be offered to certain Plan Participants and their eligible family members (called "Qualified Beneficiaries") at group rates. The right to COBRA continuation coverage is triggered by the occurrence of a life event that results in the loss of coverage under the terms of the Plan (the "Qualifying Event"). The coverage must be identical to the Plan coverage that the Qualified Beneficiary had immediately before the Qualifying Event, or if the coverage has been changed, the coverage must be identical to the coverage provided to similarly situated active employees who have not experienced a Qualifying Event (in other words, similarly situated non-COBRA beneficiaries).

Who can become a Qualified Beneficiary? In general, a Qualified Beneficiary can be:

- (1) Any individual who, on the day before a Qualifying Event, is covered under a Plan by virtue of being on that day either a covered Employee, the Spouse of a covered Employee, or a Dependent child of a covered Employee. If, however, an individual who otherwise qualifies as a Qualified Beneficiary is denied or not offered coverage under the Plan under circumstances in which the denial or failure to offer constitutes a violation of applicable law, then the individual will be considered to have had the Plan coverage and will be considered a Qualified Beneficiary if that individual experiences a Qualifying Event.
- (2) Any child who is born to or placed for adoption with a covered Employee during a period of COBRA continuation coverage, and any individual who is covered by the Plan as an alternate recipient under a qualified medical support order. If, however, an individual who otherwise qualifies as a Qualified Beneficiary is denied or not offered coverage under the Plan under circumstances in which the denial or failure to offer constitutes a violation of applicable law, then the individual will be considered to have had the Plan coverage and will be considered a Qualified Beneficiary if that individual experiences a Qualifying Event.
- (3) A covered Employee who retired on or before the date of substantial elimination of Plan coverage which is the result of a bankruptcy proceeding under Title 11 of the U.S. Code with respect to the Employer, as is the Spouse, surviving Spouse or Dependent child of such a covered Employee if, on the day before the bankruptcy Qualifying Event, the Spouse, surviving Spouse or Dependent child was a beneficiary under the Plan.

The term "covered Employee" includes any individual who is provided coverage under the Plan due to his or her performance of services for the employer sponsoring the Plan (e.g., common-law employees (full or part-time), self-employed individuals, independent contractor, or corporate director). However, this provision does not establish eligibility of these individuals. Eligibility for Plan Coverage shall be determined in accordance with Plan Eligibility provisions.

An individual is not a Qualified Beneficiary if the individual's status as a covered Employee is attributable to a period in which the individual was a nonresident alien who received from the individual's Employer no earned income that constituted income from sources within the United States. If, on account of the preceding reason, an individual is not a Qualified Beneficiary, then a Spouse or Dependent child of the individual will also not be considered a Qualified Beneficiary by virtue of the relationship to the individual. A domestic partner is not a Qualified Beneficiary.

Each Qualified Beneficiary (including a child who is born to or placed for adoption with a covered Employee during a period of COBRA continuation coverage) must be offered the opportunity to make an independent election to receive COBRA continuation coverage.

What is a Qualifying Event? A Qualifying Event is any of the following if the Plan provided that the Plan participant would lose coverage (i.e.: cease to be covered under the same terms and conditions as in effect immediately before the Qualifying Event) in the absence of COBRA continuation coverage:

- (1) The death of a covered Employee.
- (2) The termination (other than by reason of the Employee's gross misconduct), or reduction of hours, of a covered Employee's employment.
- (3) The divorce or legal separation of a covered Employee from the Employee's Spouse. If the Employee reduces or eliminates the Employee's Spouse's Plan coverage in anticipation of a divorce or legal separation, and a divorce or legal separation later occurs, then the divorce or legal separation may be considered a Qualifying Event even though the Spouse's coverage was reduced or eliminated before the divorce or legal separation.
- (4) A covered Employee's enrollment in any part of the Medicare program.
- (5) A Dependent child's ceasing to satisfy the Plan's requirements for a Dependent child (for example, attainment of the maximum age for dependency under the Plan).
- (6) A proceeding in bankruptcy under Title 11 of the U.S. Code with respect to an Employer from whose employment a covered Employee retired at any time.

If the Qualifying Event causes the covered Employee, or the covered Spouse or a Dependent child of the covered Employee, to cease to be covered under the Plan under the same terms and conditions as in effect immediately before the Qualifying Event (or in the case of the bankruptcy of the Employer, any substantial elimination of coverage under the Plan occurring within 12 months before or after the date the bankruptcy proceeding commences), the persons losing such coverage become Qualified Beneficiaries under COBRA if all the other conditions of COBRA are also met. For example, any increase in contribution that must be paid by a covered Employee, or the Spouse, or a Dependent child of the covered Employee, for coverage under the Plan that results from the occurrence of one of the events listed above is a loss of coverage.

The taking of leave under the Family and Medical Leave Act of 1993 ("FMLA") does not constitute a Qualifying Event. A Qualifying Event will occur, however, if an Employee does not return to employment at the end of the FMLA leave and all other COBRA continuation coverage conditions are present. If a Qualifying Event occurs, it occurs on the last day of FMLA leave and the applicable maximum coverage period is measured from this date (unless coverage is lost at a later date and the Plan provides for the extension of the required periods, in which case the maximum coverage date is measured from the date when the coverage is lost.) Note that the covered Employee and family members will be entitled to COBRA continuation coverage even if they failed to pay the employee portion of premiums for coverage under the Plan during the FMLA leave.

What factors should be considered when determining to elect COBRA continuation coverage?

You should take into account that a failure to continue your group health coverage will affect your rights under federal law. First, you can lose the right to avoid having pre-existing condition exclusions applied by other group health plans if there is more than a 63-day gap in health coverage and election of COBRA continuation coverage may help you avoid such a gap. Second, if you do not elect COBRA continuation coverage and pay the appropriate premiums for the maximum time available to you, you will lose the right to convert to an individual health insurance policy, which does not impose such pre-existing condition exclusions. Finally, you should take into account that you have special enrollment rights under federal law (HIPAA). You have the right to request special enrollment in another group health plan for which you are otherwise eligible (such as a plan sponsored by your Spouse's employer) within 30 days after Plan coverage ends due to a Qualifying Event listed above. You will also have the same special right at the end of COBRA continuation coverage if you get COBRA continuation coverage for the maximum time available to you.

What is the procedure for obtaining COBRA continuation coverage? The Plan has conditioned the availability of COBRA continuation coverage upon the timely election of such coverage. An election is timely if it is made during the election period.

What is the election period and how long must it last? The election period is the time period within which the Qualified Beneficiary must elect COBRA continuation coverage under the Plan. The election period must begin no later than the date the Qualified Beneficiary would lose coverage on account of the Qualifying Event and ends 60 days after the later of the date the Qualified Beneficiary would lose coverage on account of the Qualifying Event or the date notice is provided to the Qualified Beneficiary of her or his right to elect COBRA continuation coverage. If coverage is not elected within the 60 day period, all rights to elect COBRA continuation coverage are forfeited.

Note: If a covered Employee who has been terminated or experienced a reduction of hours qualifies for a trade readjustment allowance or alternative trade adjustment assistance under a federal law called the Trade Act of 2002, and the Employee and his or her covered Dependents have not elected COBRA coverage within the normal election period, a second opportunity to elect COBRA coverage will be made available for themselves and certain family members, but only within a limited period of 60 days or less and only during the six months immediately after their group health plan coverage ended. Any person who qualifies or thinks that he and/or his family members may qualify for assistance under this special provision should contact the Plan Administrator for further information about the special second election period.

The Trade Act of 2002 also created a tax credit for certain TAA-eligible individuals and for certain retired employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax

credit or get advance payment of 65% of premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Consumer Contact Center toll-free at 1-866-628-4282. TTD/TTY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at www.doleta.gov/tradeact.

Is a covered Employee or Qualified Beneficiary responsible for informing the Plan Administrator of the occurrence of a Qualifying Event? The Plan will offer COBRA continuation coverage to Qualified Beneficiaries only after the Plan Administrator or its designee has been timely notified that a Qualifying Event has occurred. The employer (if the employer is not the Plan Administrator) will notify the Plan Administrator of the Qualifying Event within 30 days following the date coverage ends when the Qualifying Event is:

- (1) the end of employment or reduction of hours of employment,
- (2) death of the Employee,
- (3) commencement of a proceeding in bankruptcy with respect to the employer, or
- (4) entitlement of the employee to any part of Medicare.

IMPORTANT:

For the other Qualifying Events (divorce or legal separation of the Employee and Spouse or a Dependent child's losing eligibility for coverage as a Dependent child), you or someone on your behalf must notify the Plan Administrator or its designee in writing within 60 days after the Qualifying Event occurs, using the procedures specified below. If these procedures are not followed or if the notice is not provided in writing to the Plan Administrator or its designee during the 60-day notice period, any Spouse or Dependent child who loses coverage will not be offered the option to elect continuation coverage. You must send this notice to the COBRA Administrator.

NOTICE PROCEDURES:

Any notice that you provide must be ***in writing***. Oral notice, including notice by telephone, is not acceptable. You must mail, fax or hand-deliver your notice to the person, department or firm listed below, at the following address:

IPMG Employee Benefits Services
225 Smith Rd.
St. Charles, Illinois 60174

If mailed, your notice must be postmarked no later than the last day of the required notice period. Any notice you provide must state:

- the **name of the plan or plans** under which you lost or are losing coverage,
- the **name and address of the Employee** covered under the plan,
- the **name(s) and address(es) of the Qualified Beneficiary(ies)**, and
- the **Qualifying Event** and the **date** it happened.

If the Qualifying Event is a **divorce or legal separation**, your notice must include **a copy of the divorce decree or the legal separation agreement**.

Be aware that there are other notice requirements in other contexts, for example, in order to qualify for a disability extension.

Once the Plan Administrator or its designee receives *timely notice* that a Qualifying Event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each Qualified Beneficiary will have an independent right to elect COBRA continuation coverage. Covered Employees may elect COBRA continuation coverage for their Spouses, and parents may elect COBRA continuation coverage on behalf of their children. For each Qualified Beneficiary who elects COBRA continuation coverage, COBRA continuation coverage will begin on the date that plan coverage would otherwise have been lost. If you or your Spouse or Dependent children do not elect continuation coverage within the 60-day election period described above, the right to elect continuation coverage will be lost.

Is a waiver before the end of the election period effective to end a Qualified Beneficiary's election rights? If, during the election period, a Qualified Beneficiary waives COBRA continuation coverage, the waiver can be revoked at any time before the end of the election period. Revocation of the waiver is an election of COBRA continuation coverage. However, if a waiver is later revoked, coverage need not be provided retroactively (that is, from the date of the loss of coverage until the waiver is revoked). Waivers and revocations of waivers are considered made on the date they are sent to the Plan Administrator or its designee, as applicable.

Is COBRA coverage available if a Qualified Beneficiary has other group health plan coverage or Medicare? Qualified beneficiaries who are entitled to elect COBRA continuation coverage may do so even if they are covered under another group health plan or are entitled to Medicare benefits on or before the date on which COBRA is elected. However, a Qualified Beneficiary's COBRA coverage will terminate automatically if, after electing COBRA, he or she becomes entitled to Medicare or becomes covered under other group health plan coverage (but only after any applicable preexisting condition exclusions of that other plan have been exhausted or satisfied).

When may a Qualified Beneficiary's COBRA continuation coverage be terminated? During the election period, a Qualified Beneficiary may waive COBRA continuation coverage. Except for an interruption of coverage in connection with a waiver, COBRA continuation coverage that has been elected for a Qualified Beneficiary must extend for at least the period beginning on the date of the Qualifying Event and ending not before the earliest of the following dates:

- (1) The last day of the applicable maximum coverage period.
- (2) The first day for which Timely Payment is not made to the Plan with respect to the Qualified Beneficiary.
- (3) The date upon which the Employer ceases to provide any group health plan (including a successor plan) to any employee.
- (4) The date, after the date of the election, that the Qualified Beneficiary first becomes covered under any other Plan that does not contain any exclusion or limitation with respect to any pre-existing condition, other than such an exclusion or limitation that does not apply to, or is satisfied by, the Qualified Beneficiary.
- (5) The date, after the date of the election, that the Qualified Beneficiary first becomes entitled to Medicare (either part A or part B, whichever occurs earlier).
- (6) In the case of a Qualified Beneficiary entitled to a disability extension, the later of:
 - (a) (i) 29 months after the date of the Qualifying Event, or (ii) the first day of the month that is more than 30 days after the date of a final determination under Title II or XVI of the Social Security Act that the disabled Qualified Beneficiary whose disability resulted in the Qualified Beneficiary's entitlement to the disability extension is no longer disabled, whichever is earlier; or
 - (b) the end of the maximum coverage period that applies to the Qualified Beneficiary without regard to the disability extension.

The Plan can terminate for cause the coverage of a Qualified Beneficiary on the same basis that the Plan terminates for cause the coverage of similarly situated non-COBRA beneficiaries, for example, for the submission of a fraudulent claim.

In the case of an individual who is not a Qualified Beneficiary and who is receiving coverage under the Plan solely because of the individual's relationship to a Qualified Beneficiary, if the Plan's obligation to make COBRA continuation coverage available to the Qualified Beneficiary ceases, the Plan is not obligated to make coverage available to the individual who is not a Qualified Beneficiary.

What are the maximum coverage periods for COBRA continuation coverage? The maximum coverage periods are based on the type of the Qualifying Event and the status of the Qualified Beneficiary, as shown below:

- (1) In the case of a Qualifying Event that is a termination of employment or reduction of hours of employment, the maximum coverage period ends 18 months after the Qualifying Event if there is not a disability extension and 29 months after the Qualifying Event if there is a disability extension.

- (2) In the case of a covered Employee's enrollment in the Medicare program before experiencing a Qualifying Event that is a termination of employment or reduction of hours of employment, the maximum coverage period for Qualified Beneficiaries ends on the later of:
 - (a) 36 months after the date the covered Employee becomes enrolled in the Medicare program. This extension does not apply to the covered Employee; or
 - (b) 18 months (or 29 months, if there is a disability extension) after the date of the covered Employee's termination of employment or reduction of hours of employment.
- (3) In the case of a Qualified Beneficiary who is a child born to or placed for adoption with a covered Employee during a period of COBRA continuation coverage, the maximum coverage period is the maximum coverage period applicable to the Qualifying Event giving rise to the period of COBRA continuation coverage during which the child was born or placed for adoption.
- (4) In the case of any other Qualifying Event than that described above, the maximum coverage period ends 36 months after the Qualifying Event.

Under what circumstances can the maximum coverage period be expanded? If a Qualifying Event that gives rise to an 18-month or 29-month maximum coverage period is followed, within that 18- or 29-month period, by a second Qualifying Event that gives rise to a 36-months maximum coverage period, the original period is expanded to 36 months, but only for individuals who are Qualified Beneficiaries at the time of and with respect to both Qualifying Events. In no circumstance can the COBRA maximum coverage period be expanded to more than 36 months after the date of the first Qualifying Event. The Plan Administrator must be notified of the second Qualifying Event within 60 days of the second Qualifying Event. This notice must be sent to the COBRA Administrator in accordance with the procedures above.

How does a Qualified Beneficiary become entitled to a disability extension? A disability extension will be granted if an individual (whether or not the covered Employee) who is a Qualified Beneficiary in connection with the Qualifying Event that is a termination or reduction of hours of a covered Employee's employment, is determined under Title II or XVI of the Social Security Act to have been disabled at any time during the first 60 days of COBRA continuation coverage. To qualify for the disability extension, the Qualified Beneficiary must also provide the Plan Administrator with notice of the disability determination on a date that is both within 60 days after the date of the determination and before the end of the original 18-month maximum coverage. This notice should be sent to the COBRA Administrator in accordance with the procedures above.

Does the Plan require payment for COBRA continuation coverage? For any period of COBRA continuation coverage under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage. Qualified beneficiaries will pay up to 102% of the applicable premium and up to 150% of the applicable premium for any expanded period of COBRA continuation coverage covering a disabled Qualified Beneficiary due to a disability extension. The Plan will terminate a Qualified Beneficiary's COBRA continuation coverage as of the first day of any period for which timely payment is not made.

Must the Plan allow payment for COBRA continuation coverage to be made in monthly installments? Yes. The Plan is also permitted to allow for payment at other intervals.

What is Timely Payment for payment for COBRA continuation coverage? Timely Payment means a payment made no later than 30 days after the first day of the coverage period. Payment that is made to the Plan by a later date is also considered Timely Payment if either under the terms of the Plan, covered employees or Qualified Beneficiaries are allowed until that later date to pay for their coverage for the period or under the terms of an arrangement between the Employer and the entity that provides Plan benefits on the Employer's behalf, the Employer is allowed until that later date to pay for coverage of similarly situated non-COBRA beneficiaries for the period.

Notwithstanding the above paragraph, the Plan does not require payment for any period of COBRA continuation coverage for a Qualified Beneficiary earlier than 45 days after the date on which the election of COBRA continuation coverage is made for that Qualified Beneficiary. Payment is considered made on the date on which it is postmarked to the Plan.

If Timely Payment is made to the Plan in an amount that is not significantly less than the amount the Plan requires to be paid for a period of coverage, then the amount paid will be deemed to satisfy the Plan's requirement for the amount to be paid, unless the Plan notifies the Qualified Beneficiary of the amount of the deficiency and grants a reasonable period of time for payment of the deficiency to be made. A "reasonable period of time" is 30 days after the notice is provided. A shortfall in a Timely Payment is not significant if it is no greater than the lesser of \$50 or 10% of the required amount.

IF YOU HAVE QUESTIONS

If you have questions about your COBRA continuation coverage, you should contact the COBRA Administrator. For more information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA). Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website at www.dol.gov/ebsa.

KEEP YOUR PLAN ADMINISTRATOR INFORMED OF ADDRESS CHANGES

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

RESPONSIBILITIES FOR PLAN ADMINISTRATION

PLAN ADMINISTRATOR. HMS Enterprises, Inc. Group Health Benefit Plan is the benefit plan of HMS Enterprises, Inc., the Plan Administrator, also called the Plan Sponsor. It is to be administered by the Plan Administrator in accordance with the provisions of ERISA. An individual or committee may be appointed by HMS Enterprises, Inc. to be Plan Administrator and serve at the convenience of the Employer. If the Plan Administrator or a committee member resigns, dies or is otherwise removed from the position, HMS Enterprises, Inc. shall appoint a new Plan Administrator as soon as reasonably possible.

The Plan Administrator shall administer this Plan in accordance with its terms and establish its policies, interpretations, practices, and procedures. It is the express intent of this Plan that the Plan Administrator shall have maximum legal discretionary authority to construe and interpret the terms and provisions of the Plan, to make determinations regarding issues which relate to eligibility for benefits, to decide disputes which may arise relative to a Plan Participant's rights, and to decide questions of Plan interpretation and those of fact relating to the Plan. The decisions of the Plan Administrator will be final and binding on all interested parties.

Service of legal process may be made upon the Plan Administrator.

DUTIES OF THE PLAN ADMINISTRATOR.

- (1) To administer the Plan in accordance with its terms.
- (2) To interpret the Plan, including the right to remedy possible ambiguities, inconsistencies or omissions.
- (3) To decide disputes which may arise relative to a Plan Participant's rights.
- (4) To prescribe procedures for filing a claim for benefits and to review claim denials.
- (5) To keep and maintain the Plan documents and all other records pertaining to the Plan.
- (6) To appoint a Claims Administrator to pay claims.
- (7) To perform all necessary reporting as required by ERISA.
- (8) To establish and communicate procedures to determine whether a medical child support order is qualified under ERISA Sec. 609.
- (9) To delegate to any person or entity such powers, duties and responsibilities as it deems appropriate.

PLAN ADMINISTRATOR COMPENSATION. The Plan Administrator serves **without** compensation; however, all expenses for plan administration, including compensation for hired services, will be paid by the Plan.

FIDUCIARY. A fiduciary exercises discretionary authority or control over management of the Plan or the disposition of its assets, renders investment advice to the Plan or has discretionary authority or responsibility in the administration of the Plan.

FIDUCIARY DUTIES. A fiduciary must carry out his or her duties and responsibilities for the purpose of providing benefits to the Employees and their Dependent(s), and defraying reasonable expenses of administering the Plan. These are duties which must be carried out:

- (1) with care, skill, prudence and diligence under the given circumstances that a prudent person, acting in a like capacity and familiar with such matters, would use in a similar situation;
- (2) by diversifying the investments of the Plan so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so; and
- (3) in accordance with the Plan documents to the extent that they agree with ERISA.

THE NAMED FIDUCIARY. A "named fiduciary" is the one named in the Plan. A named fiduciary can appoint others to carry out fiduciary responsibilities (other than as a trustee) under the Plan. These other persons become fiduciaries themselves and are responsible for their acts under the Plan. To the extent that the named fiduciary allocates its responsibility to other persons, the named fiduciary shall not be liable for any act or omission of such person unless either:

- (1) the named fiduciary has violated its stated duties under ERISA in appointing the fiduciary, establishing the procedures to appoint the fiduciary or continuing either the appointment or the procedures; or
- (2) the named fiduciary breached its fiduciary responsibility under Section 405(a) of ERISA.

CLAIMS ADMINISTRATOR IS NOT A FIDUCIARY. A Claims Administrator is **not** a fiduciary under the Plan by virtue of paying claims in accordance with the Plan's rules as established by the Plan Administrator.

COMPLIANCE WITH HIPAA PRIVACY STANDARDS. Certain members of the Employer's workforce perform services in connection with administration of the Plan. In order to perform these services, it is necessary for these employees from time to time to have access to Protected Health Information (as defined below).

Under the Standards for Privacy of Individually Identifiable Health Information (45 CFR Part 164, the "Privacy Standards"), these employees are permitted to have such access subject to the following:

- (1) **General.** The Plan shall not disclose Protected Health Information to any member of the Employer's workforce unless each of the conditions set out in this HIPAA Privacy section is met. "Protected Health Information" shall have the same definition as set out in the Privacy Standards but generally shall mean individually identifiable health information about the past, present or future physical or mental health or condition of an individual, including information about treatment or payment for treatment.
- (2) **Permitted Uses and Disclosures.** Protected Health Information disclosed to members of the Employer's workforce shall be used or disclosed by them only for purposes of Plan administrative functions. The Plan's administrative functions shall include all Plan payment and health care operations. The terms "payment" and "health care operations" shall have the same definitions as set out in the Privacy Standards, but the term "payment" generally shall

mean activities taken with respect to payment of premiums or contributions, or to determine or fulfill Plan responsibilities with respect to coverage, provision of benefits, or reimbursement for health care. "Health care operations" generally shall mean activities on behalf of the Plan that are related to quality assessment; evaluation, training or accreditation of health care providers; underwriting, premium rating and other functions related to obtaining or renewing an insurance contract, including stop-loss insurance; medical review; legal services or auditing functions; or business planning, management and general administrative activities. Genetic information will not be used or disclosed for underwriting purposes.

- (3) **Authorized Employees.** The Plan shall disclose Protected Health Information only to members of the Employer's workforce who are designated and are authorized to receive such Protected Health Information, and only to the extent and in the minimum amount necessary for these persons to perform duties with respect to the Plan. For purposes of this HIPAA Privacy section, "members of the Employer's workforce" shall refer to all employees and other persons under the control of the Employer.
- (a) **Updates Required.** The Employer shall amend the Plan promptly with respect to any changes in the members of its workforce who are authorized to receive Protected Health Information.
- (b) **Use and Disclosure Restricted.** An authorized member of the Employer's workforce who receives Protected Health Information shall use or disclose the Protected Health Information only to the extent necessary to perform his or her duties with respect to the Plan.
- (c) **Resolution of Issues of Noncompliance.** In the event that any member of the Employer's workforce uses or discloses Protected Health Information other than as permitted by the Privacy Standards, the incident shall be reported to the privacy official. The privacy official shall take appropriate action, including:
- (i) Investigation of the incident to determine whether the breach occurred inadvertently, through negligence, or deliberately; whether there is a pattern of breaches; and the degree of harm caused by the breach;
 - (ii) Applying appropriate sanctions against the persons causing the breach, which, depending upon the nature of the breach, may include, oral or written reprimand, additional training, or termination of employment;
 - (iii) Mitigating any harm caused by the breach, to the extent practicable; and
 - (iv) Documentation of the incident and all actions taken to resolve the issue and mitigate any damages.
- (4) **Certification of Employer.** The Employer must provide certification to the Plan that it agrees to:
- (a) Not use or further disclose the Protected Health Information other than as permitted or required by the Plan documents or as required by law;

- (b) Ensure that any agent or subcontractor, to whom it provides Protected Health Information received from the Plan, agrees to the same restrictions and conditions that apply to the Employer with respect to such information;
- (c) Not use or disclose Protected Health Information for employment-related actions and decisions or in connection with any other benefit or employee benefit plan of the Employer;
- (d) Report to the Plan any use or disclosure of the Protected Health Information of which it becomes aware that is inconsistent with the uses or disclosures hereunder or required by law;
- (e) Make available Protected Health Information to individual Plan members in accordance with Section 164.524 of the Privacy Standards;
- (f) Make available Protected Health Information for amendment by individual Plan members and incorporate any amendments to Protected Health Information in accordance with Section 164.526 of the Privacy Standards;
- (g) Make available the Protected Health Information required to provide any accounting of disclosures to individual Plan members in accordance with Section 164.528 of the Privacy Standards;
- (h) Make its internal practices, books and records relating to the use and disclosure of Protected Health Information received from the Plan available to the Department of Health and Human Services for purposes of determining compliance by the Plan with the Privacy Standards;
- (i) If feasible, return or destroy all Protected Health Information received from the Plan that the Employer still maintains in any form, and retain no copies of such information when no longer needed for the purpose of which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information unfeasible; and
- (j) Ensure the adequate separation between the Plan and member of the Employer's workforce, as required by Section 164.504(f)(2)(iii) of the Privacy Standards.

The following members of HMS Enterprises, Inc.'s workforce are designated as authorized to receive Protected Health Information from HMS Enterprises, Inc. Group Health Benefit Plan ("the Plan") in order to perform their duties with respect to the Plan: Human Resource Department and/or CFO.

COMPLIANCE WITH HIPAA ELECTRONIC SECURITY STANDARDS. Under the Security Standards for the Protection of Electronic Protected Health Information (45 CFR Part 164.300 et. seq., the "Security Standards"), the Employer agrees to the following:

- (1) The Employer agrees to implement reasonable and appropriate administrative, physical and technical safeguards to protect the confidentiality, integrity and availability of Electronic Protected Health Information that the Employer creates, maintains or transmits on behalf of the Plan. "Electronic Protected Health Information" shall have the same definition as set out

in the Security Standards, but generally shall mean Protected Health Information that is transmitted by or maintained in electronic media.

- (2) The Employer shall ensure that any agent or subcontractor to whom it provides Electronic Protected Health Information shall agree, in writing, to implement reasonable and appropriate security measures to protect the Electronic Protected Health Information.
- (3) The Employer shall ensure that reasonable and appropriate security measures are implemented to comply with the conditions and requirements set forth in Compliance With HIPAA Privacy Standards provisions (3) Authorized Employees and (4) Certification of Employers described above.

FUNDING THE PLAN AND PAYMENT OF BENEFITS

The cost of the Plan is funded as follows:

For Employee and Dependent Coverage: Funding is derived from the funds of the Employees and Employer contributions.

The level of any Employee contributions will be set by the Plan Administrator. These Employee contributions will be used in funding the cost of the Plan as soon as practicable after they have been received from the Employee or withheld from the Employee's pay through payroll deduction.

Benefits are paid directly from the Plan through the Claims Administrator.

PLAN IS NOT AN EMPLOYMENT CONTRACT

The Plan is not to be construed as a contract for or of employment.

CLERICAL ERROR

Any clerical error by the Plan Administrator or an agent of the Plan Administrator in keeping pertinent records or a delay in making any changes will not invalidate coverage otherwise validly in force or continue coverage validly terminated. An equitable adjustment of contributions will be made when the error or delay is discovered.

If, an overpayment occurs in a Plan reimbursement amount, the Plan retains a contractual right to the overpayment. The person or institution receiving the overpayment will be required to return the incorrect amount of money. In the case of a Plan Participant, the amount of overpayment may be deducted from future benefits payable.

AMENDING AND TERMINATING THE PLAN

If the Plan is terminated, the rights of the Plan Participants are limited to expenses incurred before termination.

The Employer reserves the right, at any time, to amend, suspend or terminate the Plan in whole or in part. This includes amending the benefits under the Plan or the Trust agreement (if any).

CERTAIN PLAN PARTICIPANTS RIGHTS UNDER ERISA

Plan Participants in this Plan are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA specifies that all Plan Participants shall be entitled to:

Examine, without charge, at the Plan Administrator's office, all Plan documents and copies of all documents governing the Plan, including a copy of the latest annual report (form 5500 series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain copies of all Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.

Continue health care coverage for a Plan Participant, Spouse, or other dependents if there is a loss of coverage under the Plan as a result of a Qualifying Event. Employees or dependents may have to pay for such coverage.

Review this summary plan description and the documents governing the Plan or the rules governing COBRA continuation coverage rights.

Reduction or elimination of exclusionary periods of coverage for Pre-Existing Conditions under this group health Plan, if an Employee or dependent has Creditable Coverage from another plan. The Employee or dependent should be provided a certificate of Creditable Coverage, free of charge, from the group health plan or health insurance issuer when coverage is lost under the plan, when a person becomes entitled to elect COBRA continuation coverage, when COBRA continuation coverage ceases, if a person requests it before losing coverage, or if a person requests it up to 24 months after losing coverage. Without evidence of Creditable Coverage, a Plan Participant may be subject to a Pre-Existing Conditions exclusion for 12 months (18 months for Late Enrollees) after the Enrollment Date of coverage.

If a Plan Participant's claim for a benefit is denied or ignored, in whole or in part, the participant has a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps a Plan Participant can take to enforce the above rights. For instance, if a Plan Participant requests a copy of Plan documents or the latest annual report from the Plan and does not receive them within 30 days, he or she may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and to pay the Plan Participant up to \$110 a day until he or she receives the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If the Plan Participant has a claim for benefits which is denied or ignored, in whole or in part, the participant may file suit in state or federal court.

In addition, if a Plan Participant disagrees with the Plan's decision or lack thereof concerning the qualified status of a medical child support order, he or she may file suit in federal court.

In addition to creating rights for Plan Participants, ERISA imposes obligations upon the individuals who are responsible for the operation of the Plan. The individuals who operate the Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of the Plan Participants and their beneficiaries. No one, including the Employer or any other person, may fire a Plan Participant or

otherwise discriminate against a Plan Participant in any way to prevent the Plan Participant from obtaining benefits under the Plan or from exercising his or her rights under ERISA.

If it should happen that the Plan fiduciaries misuse the Plan's money, or if a Plan Participant is discriminated against for asserting his or her rights, he or she may seek assistance from the U.S. Department of Labor, or may file suit in a federal court. The court will decide who should pay court costs and legal fees. If the Plan Participant is successful, the court may order the person sued to pay these costs and fees. If the Plan Participant loses, the court may order him or her to pay these costs and fees, for example, if it finds the claim or suit to be frivolous.

If the Plan Participant has any questions about the Plan, he or she should contact the Plan Administrator. If the Plan Participant has any questions about this statement or his or her rights under ERISA, including COBRA or the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, that Plan Participant should contact either the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) or visit the EBSA website at www.dol.gov/ebsa/. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.)

GENERAL PLAN INFORMATION

TYPE OF ADMINISTRATION

The Plan is a self-funded group health Plan and the administration is provided through a Third Party Claims Administrator. The funding for the benefits is derived from the funds of the Employer and contributions made by covered Employees. The Plan is not insured.
