

Suggestion Form

A suggestion is an idea that will benefit the organization by solving a problem, reducing costs, improving operations or procedures, enhancing customer service, eliminating waste or spoilage, or making the organization a better or safer place to work. Statements of problem without accompanying solutions, or recommendations concerning co-workers and management are not appropriate suggestions. If you have questions or need advice about your idea, contact your supervisor for help. (Attach additional sheets if necessary.)

Employee Name _____
